3. Play Area

Annual maintenance work is likely to mean that parts of the Play Area are out of use for short periods over the next month - thank you for your understanding.

4. Criminal activity.

PC Reid has already briefed us about recent burglaries in our area. We should all be especially vigilant and report any suspicious sightings or activity.

5. Emergency plan.

Despite the unexpectedly concentrated snow-fall at the beginning of February, the village coped reasonably well and thanks go to everyone who provided assistance to those who were in need of help. Herriard does not have a formal way of dealing with the emergencies and I would like to suggest we could develop a village resilience plan to make sure we can prepare for and react to events in an efficient and coordinated way. If you have ideas that would be useful to include in such a plan and would be willing to help prepare it, please let me or David Freer know.

6. Elections.

Borough-wide Parish Elections will be held on May 2nd. B&DBC are responsible for notifications and election communications generally start to appear during March.

Gareth Davies, Chair - Herriard Parish Council

Appendix 3: Cllr White report – February 2019

Sports club

Football. the team is currently in the first division of the Basingstoke and District Football League and game plan is to get into the second division. to date its going well with Herriard currently bottom of the table.

Tennis; we are hoping to have a coach available for drill nights starting in April when the clock go on.

Cricket. The club will be fielding two teams in the Hampshire league again this year as well as a team in the North Hants Evening league.

Croquet. last year was a great success and we hope that this will be part of the summer seasons sporting calendar this year.

Update on all stars cricket

The scheme I have mentioned in the past working with the ECB for youngsters up to the age of 8/9 years. Herriard sports club is now registered on the scheme and now have an 'All Stars Cricket Activator' in place who will oversee 'All Stars Cricket' at your club. We now have to put the final documents in place on the All Stars Website to become an authorised 'All Stars Cricket Centre' We then have to agree on a day of the week and time when we will hold the training session. usually once a week for 6 – 8 weeks to fall inline with the 'in School activities' run by the ECB. Typical time lines are:

- School Visits: February - May
- Activator Training: March - May
- National Marketing Campaign: mid-March - June
- Taster Weekend: 5 - 7 May
- Programme Launch: 11 May

We are always keen to welcome new members whether playing
