**BENEFICE MAGAZINE – May 2019**  
**Edition for the Parishes of Herriard with Winslade, Tunworth,**  
**Upton Grey and Weston Patrick**

**Editorial for May 2019: Letter from the Benefice Ministry Team**

‘Many years ago, just before the war, there was a hugely successful play by Dodie Smith called 'Dear Octopus'. It was a comedy about a family celebrating a golden wedding, with the interplay between the different generations, who called the family 'Dear Octopus' because its tentacles reached out and bound them together. The Octopus was always there, and it gave them security and stability and companionship.

I think of it often, because I am fortunate enough to belong to a Dear Octopus, but I like to think of the ideal Octopus as reaching beyond the immediate family to the society in which we live. Close friends are virtually indistinguishable from family members (remember how as children we had extra 'uncles' and 'aunts?'), and our wider Octopus could include those people outside our circle of friends who nevertheless are part of our lives because we work with them or trade with them or regularly bump into them as we go about our everyday lives. I suppose our Octopus may even include the odd animal or bird.

Humans are social creatures. We are not designed to be solitary and alone, and if we are solitary and alone, we can't fully function as we are meant to function. Yet there are far more people in our society who are solitary and alone than we may realise. They tend not to be noticed because they don't get around very much. It is more than likely that many will go through the day without speaking to anybody at all. There are many causes of loneliness: separation from home; bereavement; personal weakness; persecution; migration. Elijah was lonely because he had stood up for God when those around him had turned away (1 Kings 19:10). Even Jesus was lonely in Gethsemane (Matthew 26:38). Those of us fortunate enough to have a Dear Octopus might profitably wonder whether it could reach out to someone who is solitary and alone. Surely its tentacles are long enough to embrace one or two more? Perhaps over a cup of coffee?’

## 👍 Prayers

'I wonder if you came along to one of our prayer spaces last month? Over 250 children from across different schools and churches joined us to learn all about the Easter story through special prayer activities at All Saints Long Sutton and All Saints Odiham. We put leaves about what makes us happy on the hallelujah tree, made best friends out of pipe cleaners to say thank you and asked big questions in our dark garden of Gesthemane and much, much more. If you came along, I'd love to know which you liked best! The most famous prayer in the Christian religion is The Lord's Prayer, or the 'Our Father'. Did you know that it's the prayer that Jesus taught his disciples when they didn't know how to pray?

## Five-Finger Prayer

There are other ways we can remember how to pray – one of my favourites is the 5-finger prayer. How to do it...

Give yourself a thumbs up and then point your thumb to yourself.

**Thumb (people who are close to you)** These are your close friends and family, often the first you think about when you pray. Give thanks to God and ask his protection on your parents, siblings, friends, and classmates.

**Pointer (people who point the way)** These are leaders in your life, such as teachers and pastors. Thank God for them and ask him to help them in their important work.

**Tall Finger (people in authority)** The big people in the world need prayer too. Ask God to give wisdom to our government, military, and police.

**Ring Finger (people who are weak)** This is your weakest finger. We should remember others who are sick, live in poverty, or are treated badly. Pray that Jesus would give them new strength.

**Little Finger (your own needs)** God wants to hear your needs too, especially when you put others first. Pray for your own growth in mind, body, and spirit.

Give it a go and see if you can remember all the fingers! Maybe you can draw around your hand and make a poster to help you remember? I'd love to see it – just ask a parent to scan it and send it to me or drop it into one of the churches!

## Messy Church

This month's Messy churches are also all about prayer – why don't you come along to one for fun, food, crafts and stories?' Helen Chatfield

## NEWS FROM THE VILLAGES

### Local Police Report

‘Dear residents, May I make a plea to all residents, if unfortunately, you are the victim of a crime please report it.

I am seeking any assistance regarding a theft from the scaffolding company in the Bidden Road, Upton Grey. Between 5 pm on April 10<sup>th</sup> and 6.45 on April 11th, 2019 thieves have gained entry into the field behind and cut a hole in the security fencing and stolen property valued at about £8,000. I ask if anyone saw any unusual activity at the site or in the field behind during these times to please give me a call direct.

Recently in our area a secure office within a secure compound was broken into and an item valued at £40 was stolen. The Police were not made aware of this and the thieves appear to have used this as a dummy run as they returned some weeks later broke in again and stolen property. Had we been made aware enquiries could have been made with CCTV, local residents, police related cameras etc. Reporting crime any crime is also really important as we the Police need to know what is happening in our communities, where as a result of crime we need to target our resources, check to see if it is part of a series of similar crimes and as in this case we could have warned similar local businesses to be on their guard. Please report all crime via 101, on line at <https://www.hampshire.police.uk> or give me a call.

In the Old Basing, Chineham areas and, in the west near Oakley, we have been experiencing an increase in theft from vehicles in the early hours of the morning. In the Oakley area it is predominately works vans that are being targeted with a black estate car similar to a BMW has been seen with two men loading up tools stolen from works vans. If you use a van for work please take tools out at night, if this is not possible try to park the vehicle with the doors against a wall or close to another vehicle to stop the rear doors being opened.

...And finally, now we are in to spring please be aware of the seasonal increase in theft of tools from garden sheds and items usually handbags from parked cars in our beauty spots. For expensive tools please mark them and record serial numbers, for expensive items please take photographs. For vehicles parked up please DO NOT leave stealable items in the car, remove sat-navs and any electrical items that thieves using equipment can now detect in your vehicle, even in the boot. Many thanks’, Andrew Reid, Local Constable. PC 3746, Tel: 01256 389050 Mob: 07768:776844 email: [andrew.reid@hampshire.pnn.police](mailto:andrew.reid@hampshire.pnn.police)

### Upton Grey Village Fete - 8th June - Tea Stall

We will be serving tea and cake as usual at the fete and are looking for people to help our Tea Team on the afternoon (even for an hour). It is always great fun and a good way to meet people if you are new to the Village. Please could you also bake for us if you have time, tray bakes, cupcakes, whole cakes, biscuits, anything that you can manage will be greatly appreciated. If you are able to help on the day in anyway or bake for us please could you let us know on 01256 861998 or 07810 671123.

### Plant Stall – Upton Grey Fete 8th June 2019

It is always difficult to get the variety of plants needed to make the plant stall a success each year. We have to start early, so If you have any herbaceous plants/perennials that you intend splitting up or do not want please do not throw away – pop into a plastic bag and drop on my drive.

If you also have any old outdoor hanging baskets that you don't want, leave those too at Clock Cottage, Cleves Lane - or give me a call and I will collect (862705) - Debbie Bridle. We are always very grateful for any donations - plants, seedlings, pots/troughs, garden tools or anything garden/plant related. Thankyou.

## Support your Village Shop

The village shop needs your support. Go with a flexible attitude and you will not find it difficult to find enough ingredients for plenty of tasty meals. Over the next few months the parish magazine will contain just a few recipe ideas that can be made entirely with ingredients from the village shop. Although most of these will have a vegetarian bias, they can often be supplemented with meat if desired. If you find that the shop happens to have run out of something listed below, be patient - all these items are usually in stock. (Please bear in mind these quantities are a bit approximate - I don't use a recipe book!). Tess.

### ***This Month's 'Village Shop' Recipe: Vegetable Fajitas (Serves 4)***

This is a family favourite. It is fairly quick and easy and makes a good lunch or light supper. Most of the ingredients are reliably in stock at all times. But if one or two of the vegetables are missing, it doesn't matter - just buy more of one of them or swap for mushrooms. Mince or pieces of fried chicken could be added if wished.

#### **Ingredients**

1 onion (chopped)

1 red or yellow pepper (chopped)

1 aubergine (sliced)

1 courgette (sliced)

1/2 tin of sweetcorn (drained)

1 tin of kidney beans (drained)

1/2 tin of tomatoes (or tomato puree)

1 clove garlic

Fresh coriander (if not available try the coriander pesto from the shop)

Spices: ground cumin, ground coriander, chilli or cayenne pepper

1 packet of corn tortillas

You may also wish to add lettuce, grated cheese of your choice, salsa sauce, Greek yogurt, homemade guacamole (if avocados are soft)

**Method:** Fry the onion and garlic in a deep frying-pan or saucepan until the onion is softening. Add the pepper, aubergine and lastly courgette; with some seasoning and spices to taste (not too much chilli unless you like it really spicy) and fry all together until vegetables are soft.

If using mince, you could add it at this point and fry until well cooked. Add the kidney beans, 1/2 tin of sweetcorn and as much of the tin of tomatoes to make a thickish sauce (it shouldn't be too runny). Let it simmer for a while until all the flavours are mixed together (you can add more spices at this point if wished). Finally add the fresh coriander or a spoonful or two of coriander pesto.

**To serve:** fill a corn tortilla wrap with a large spoonful of sauce, add chopped lettuce, and either fried chicken, grated cheese, yogurt, salsa, or guacamole (or all of them!). Fold in the sides of the wrap to enclose all ingredients and eat!

### **Autumn Shoebox Appeal 2019 for St Mary’s Church**

This autumn, St Mary’s will be supporting the LinktoHope charity (a small UK-based Christian charity distributing c.45,000 shoeboxes a year to Romania, Moldova, Ukraine and Bulgaria where there are many desperately poor families and elderly people living lonely, isolated lives). This is a Family and Elderly Christmas shoebox appeal that need to be ready in October. So, please start collecting now e.g. empty shoeboxes.

LinktoHope’s website suggests a strong adult size 8 shoebox filled with six essentials such as toothpaste/toothbrush and soap/flannel; then a further five items from their Family or Elderly list. The lists are there to give your ideas, but you don’t need to feel limited by them - just fill your shoebox with a mix of practical and ‘nice to have’ – items that will come in handy, or bring a smile to a child or cheer a lonely elderly person.

Just remember items should be new or unused. Their website [www.linktohope.co.uk/shoebox-appeal-2019](http://www.linktohope.co.uk/shoebox-appeal-2019) has more information. The shoeboxes aren't opened before shipment but must have a list of included items taped to the top of the box, once wrapped. LinktoHope doesn't put any literature with the boxes and promises not to discriminate who the boxes are given to. We're also planning a couple of fundraising events in the months to come to help pay for the £3/box needed to pay for transportation/groundwork. Last year we received over 80 shoeboxes, which were blessed in the church before their journey around the world. Please get involved and fill a shoebox. If it gets a bit expensive then involve family and friends and make one up together. Every shoebox makes a difference. It's a very simple and personal way you can make a difference to those who have very little. ### **R.N.L.I. Concert 2019 - Wow what an evening!!**

Hi everyone....well what an evening that turned out to be...who would have thought that the whole audience would end up singing like a bunch of chickens...OR be the first audience in the world ever to hear a Rap version of "What Shall We Do With The Drunken Sailor"....terrific singing everyone you deserve a medal...or a free bottle of wine as it turned out. So, a big round of applause to all of you for coming along and singing more than you ever have done before. We raised around £1046 so far for the RNLI. Huge thanks for your support, it makes it all very worthwhile and we had great fun together. Highlights also the sterling efforts by ALL performers to convince us their songs were actually Sea Shanties (one about a coal mine...well of course the coal used to go as fuel for boats & ships) and who would have thought that Roger had got up to so many nautical mischiefs (psst thanks Estelle ). Can anyone remember how the "Diddle Um Er" song went now...as its buzzing round my aching head. Has the boat been pumped dry yet? Thank you everybody for your support and fun...without you it wouldn't be the same. Dave & Cas

### **Horticultural Society Spring Show – Saturday 6th April 2019**

A huge thank-you to everyone who exhibited at our Spring Show in Upton Grey Village Hall. We had some wonderful and imaginative entries, especially in the children's classes. Long Sutton School pupils' papier mâché 'hot air' balloons complete with baskets (depicting flight) strung across the hall were a joy to behold.

An abundance of colourful Spring flowers, blossoms with their heavenly perfume, delightful floral arrangements, stunning artwork, mouth-watering cookery exhibits. I could go on but must stop now as there were so many highlights and I'm running low on adjectives! In the afternoon the teas were, as always, fabulous with a complete sell out, the raffle had some rather spectacular prizes and the children's Tombola with a prize every time was extremely busy. The picture of the event is completed by the ever-popular Grand National sweepstake. Our grateful thanks to all the volunteers who stepped up to the plate to help us make the Show the success it was – we cannot do it all alone. The Show cannot take place unless we have exhibits so thank you all so much once again for entering. Thank you also to all of you who came along in the afternoon to support the Show. Next year's date will be advertised in this Magazine.

### **Upton Grey Parish Council needs Councillors**

As a councillor representing your community you will help keep it a great place to live and work. It is an important role and we actively encourage people from all walks of life to take an interest in local democracy and to think about putting themselves forward for election. For further information please contact Beverley Bridgman at [clerk@uptongreyparishcouncil.co.uk](mailto:clerk@uptongreyparishcouncil.co.uk) or the Parish Council chairman Paul Gray at [paulcgray@yahoo.com](mailto:paulcgray@yahoo.com).

### **Educational Grants available to ALL Upton Grey Residents**

When the Upton Grey School was sold after its closure in the 1980s, half of the proceeds went to the village and the Upton Grey Educational Trust was formed. The income from the sale proceeds, invested by the charity, can be used twice yearly "for the advancement of education". The Trust meets in June and December each year to consider applications for assistance with educational needs, **from any age group and with no means testing**. Since the Trust was set up, it has awarded grants to over 90 applicants and 15 groups in addition to Long Sutton School. For more information on how to apply, please visit [www.uptongreychurch.co.uk](http://www.uptongreychurch.co.uk) (under Groups & Organisations) or email [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com).

This is primarily open to residents of Upton Grey, but consideration may also be given to applicants from other parishes within the Benefice – funds permitting. Applications must be made by the person requiring assistance and **not** by a parent /guardian or other.

Please submit your application in writing **before end May 2019** to:  
The Secretary to the Trustees, UPTON GREY EDUCATIONAL TRUST,  
Clock Cottage, Cleves Lane, Upton Grey, Basingstoke, RG25 2RG or via  
email to: [debbie@debbie-bridle.com](mailto:debbie@debbie-bridle.com). **NOTE** that any late applications  
received after this deadline will be carried over to the next meeting.

**Herriard and Lasham with Bentworth WI; AGM 2nd May**

Our April meeting welcomed Bob Ives. He talked and showed slides about his adventures. He and Joe won the Camel Trophy, which led to his involvement with Top Gear and latterly the Grand Tour. Some of the slides were very hair raising! He has recently come back from Borneo.

Our next meeting is the AGM on May 2nd in the Bar at the RBL Hall at 2.30pm. Report for April by Gemma Hounsell.

### **Herriard Spring Lecture 4th May: Mrs Didy Grahame OBE, MVO.**

In aid of St Mary's Church, Herriard - Saturday 4th May 2019 at 7 for 7.30pm At Swallick Farmhouse, Winslade RG25 2NG. Our speaker this year will be Mrs Didy Grahame OBE, MVO. She was Secretary of the Victoria Cross and George Cross Association from 1970 – 2014. In that role she looked after all holders of these awards irrespective of where they might live. She would be involved in their lives and would provide help wherever necessary in sickness or in health. During her term of office, she has known some 450 recipients of the Victoria Cross and George Cross. She has travelled extensively both in this country and abroad visiting award holders (and their families) who were no longer fit enough to attend the biennial reunions in London. Whilst the detailed history of the awards is a matter of public record, Didy will be able to pick out a number of individuals, well known to her, and tell us about their background and personalities.

There will be many anecdotes plus of course details of the selfless courage that these people displayed with complete disregard to their own safety. It promises to be a fascinating evening. **Bring your own picnics. Tickets £20 per person from Peter Bedford 322408 or peter.bedford@clara.co.uk Tables of 8 or 10 but individual applications warmly welcomed. Limited to 70 people. Excellent raffle prizes.**

He is also a team leader on our AFIA Holiday, alongside Claire Lymer from All Saints in Odiham. ### **Lasham Classical Music Festival: Wednesday 5th - Sunday 9th June**

Welcome to the Lasham Classical Music Festival 2019. This unique Festival brings together talented Classical Artists who will perform a programme of Classical works to enjoy and inspire. Alongside providing breath-taking performances, our aim is to

provide support and funding to help develop local young musicians in partnership with The Esseham Music Charity and we take great pride in asking some of the students to perform at our events.

Lasham Classical Music Festival's fourth annual festival begins on Wednesday 5th June 2019 and concludes on Sunday 9th June 2019 with St Mary's Church Lasham the venue for all concerts. This year's programme explores a great wealth of 20th century composers influenced by the conflicts that they lived through and witnessed first-hand.

Wednesday 5th June - 7.30pm. The opening concert at St. Mary's Church Lasham opens the festival with Britten's Temporal Variations and Edward Elgar's Piano Quintet.

Friday 7th June, we have introduced a mid-day concert featuring Stravinsky's L'Histoire du soldat (The Soldier's Tale) for violin, clarinet & piano.

On Saturday 8th our supper concert explores the theme of conflict with John Williams's "Theme from Schindler's List" from the 1994 Best Picture, two movements of Copland's ballet 'Billy the Kid' and Prokofiev's Overture on Hebrew Themes. A supper interval of 80 minutes lets you dine either at The Royal Oak or in the marquees with a picnic hamper for the marquee from Grassi and Jones, making this a wonderful social occasion as well as a musical outing.

The festival concludes with two works directly influenced by the Second World War, Ernest Moeran's Fantasy Quartet and our final work is Messiaen's Quartet for the End of Time which was written whilst he was a prisoner of war in a German camp. As it has come to be recognised as one of his most important works and we can't think of a better way to bring this year's festival to a close.

Our festival programme also contains a great deal of popular classics not confined to the parameters of war. Mozart's Eine Kleine Nachtmusik, Chopin's Piano Sonata No.1 to Saint Saens's Septet, provide music for all tastes and we hope that you'll join us for some unforgettable concerts in St Mary's Church, Lasham this June 2019. Tickets £10 for adults (free for under 18 and students with ID) for the evening concerts and £5 for adults (free for under 18 and students with ID) for the Mid-day concert. Tickets are available online from at [www.eventbrite.co.uk/e/lasham-classical-music-festival-2019-concert-3-tickets-54593718281?ref=ebtnebtckt](http://www.eventbrite.co.uk/e/lasham-classical-music-festival-2019-concert-3-tickets-54593718281?ref=ebtnebtckt). The tickets can also be purchased in person from The Royal Oak, Lasham and Newbury Building Society, Alton. For the festival evenings, supper will be available from at The Royal Oak, Lasham, 01256 381750, or a picnic supper from Grassi and Jones 07765676053. Menus and supper ordering will be available on our website [www.lashammusicfestival.co.uk](http://www.lashammusicfestival.co.uk).

## National Garden Scheme - Hampshire

Our new beneficiaries for 2019 are MIND - The Mental Health Charity. MIND are guaranteed funding from the NGS, for the next two years. Two other new charities will also benefit from donations from NGS:

- Firstly KIDS - A Charity - giving Disabled Children a Brighter Future.
- Secondly Treloar's School & College for Disabled Young People - based in Alton, Hampshire. Founded in 1907 by the Lord Mayor of London, Treloar's is a non-maintained special school for students aged 2 to 16 years, from all over the UK and overseas. The aim is that every student leaves having achieved at least one nationally recognised qualification. The National Garden Scheme will provide funding for Treloar's to create a new outdoor learning area and is in connection with our continued Gardening & Health Initiative. To help us to achieve a high level of funding to our charities, we rely on our visitors to our exceptional gardens of quality, character and interest. ## **Time On Your Hands? Feeling A Bit Brain Dead? Need A Challenge?**

**Basingstoke**

Have your circumstances changed recently (children started school? Recently retired? A student requiring work experience?).

If you now find you have got some time for you and would like to fill it with something stimulating and interesting then why not consider volunteering at Citizens Advice? Many people don't realise that Citizens Advice is a charity giving information and advice on a variety of subjects. Furthermore, it is very much dependant on volunteers like us!

'I decided to go for it because I wanted something that was not only flexible around the school run but also would give me the school holidays to spend with the children. Being able to choose my own hours was hugely beneficial to me and one of the major draws of this charity. I also hadn't been in the workplace for a number of years, so didn't feel I had the confidence for a 'proper job'. Volunteering for a couple of half days per week has increased my knowledge and re-built my confidence. I also wanted to do something to help in the local community, but I know I'm not a committee person. For me, Citizens Advice offered a role that was much more 'hands on'. Every day you find yourself face to face with clients with real issues who need us. By helping them solve their problems, a volunteer can experience real satisfaction with the knowledge you have actually made a difference to a client's life.' You get plenty of training and the information is at your fingertips. So, what does a typical day entail? There are many roles that you can volunteer for; whether it be as a Receptionist, Administrator, Assessor or Advisor. 'One day I may have a client who is homeless and needs help getting somewhere to stay, another who has got bailiffs knocking at their door, one may just want to know how to apply for a Blue Badge pass. Whether big or small, the problems people experience are real to them and they are always grateful to have the help. Sometimes so much so that cake and/or flowers appear!'

If interested you can apply by emailing [trainingadmin@basingstokecab.org.uk](mailto:trainingadmin@basingstokecab.org.uk) or phone 01256 329984 and ask to speak to Di Lewis.

## **Odiham & Old Basing Patient Participation Group - Summer Health Travel**

**1. Vaccinations** – many of us travel abroad over the summer months. For some country's vaccinations are needed. Please ensure you have left enough time to have any vaccinations you may need, as some vaccines require a course of injections. The practice nurse will be able to check which vaccinations you may need and advise about malaria risk. Book a telephone call with the practice nurse. Remember travel vaccinations are not available on the NHS so the practice will charge you for these.

2. **Medications.** If you need to take medication abroad with you check with your airline and your destination of travel to ensure there are no restrictions on this. Some countries do not allow you to travel with certain painkillers and some airlines require you to have written documentation that the medication you are carrying is prescribed by a doctor.

3. **Long haul flights.** Consider the risk of deep vein thrombosis when on a flight longer than 4 hours. This is a clot in a deep vein in your leg which can lead to swelling and pain in that leg up to one month after your flight. To try to minimise the risk remain as mobile as possible whilst on the flight; consider exercises on the flight whilst sitting for example making small circles with your ankles and pointing your toes up and down; remain well hydrated; avoid alcohol on the flight.

### **Hayfever**

The hayfever season often starts at the end of February/early March and runs through to September. Common presentations include: itchy eyes, red watery eyes, runny nose, scratchy throat, sinus discomfort, headaches. There is no cure for hayfever, but there are some simple things you can try which may help to relieve the symptoms:

- Put Vaseline around your nostrils to trap pollen
- Wear wrap-around sunglasses to limit pollen getting to the eyes
- Shower and change your clothes after you've been outside/come in
- You can buy pollen filters for the air vents in your car
- Anti-histamine tablets, steroid nasal sprays, eye drops – these can be bought from your local pharmacist, the NHS is trying to encourage patients not to ask for these on prescription. These medications need to be started before the hay fever season begins and continued daily throughout the season.

### **Insect Bites And Stings**

As the weather warms up, so do biting insects. It is not always possible to know what insect has bitten / stung you but the effects can be uncomfortable and sore. A red lump or swelling is usually seen. This can increase in size over the first few hours or couple of days. Most bites and stings are self-limiting and can be self-managed. Please take an anti-histamine tablet regularly, following the advice on the packet. An anti-histamine cream can also be bought which can help with itching and irritation. Consider applying a cold flannel or cloth. If a sting is visible, try to remove it. Try to avoid scratching the area. With the above management the area of redness and irritation should gradually recede over a couple of days, but it can last for up to a week.

If you start to feel unwell, the redness or swelling seems to be spreading, or you develop flu - like symptoms you should speak to the GP in case the bite/sting has become infected.

### **Sunburn**

This is caused by spending too much time in the sunshine which leads to red, hot, sore skin. The skin may itch and peel after a few days. To manage this come out of the sunshine, use a cool towel or cloth on the skin to help cool it down, apply a soothing lotion such as after sun or aloe vera, keep well hydrated drinking plenty of fluids, take simple painkillers if needed. The NHS website has useful information on all of the above plus many more. It is definitely worth a look before you call the doctor or consider speaking to your local pharmacist for advice. [www.nhs.uk](http://www.nhs.uk). There is more information available from the surgery and on the NHS England website about this. You may therefore find that you are asked to buy certain medications from your local pharmacy, that you have previously received on prescription. We hope we get some sunshine and can all enjoy a lovely summer!
