BENEFICE MAGAZINE – June 2019
Edition for the Parishes of Herriard with Winslade, Tunworth,
Upton Grey and Weston Patrick

Letter from the Local Churches' Leadership Team

I wonder what your earliest memory is.

I'm a very keen sailor, and for me, one of the earliest things I can remember, as a child on holiday on the Isle of Wight, when my father tried to rent a sailing dinghy for us to take out for the day as a family. I was really excited at the prospect, but then my hopes were dashed when the owner of the boatyard said that he didn't rent out boats 'until Whitsun.' I always wondered what 'Whitsun' was, and it was only many years later that I discovered that Whitsun is the Christian celebration of Pentecost.

You will be receiving this edition of the Parish News at about the time we celebrate Pentecost this year – Sunday 9th June 2019. Going back two millennia, at this time of year Jesus' disciples had only recently witnessed Jesus' death on Good Friday, his remarkable resurrection on Easter Sunday, and then his ascension into heaven just a few weeks later. And they will have remembered Jesus telling them before his ascension, to wait in Jerusalem for the gift of his Spirit – the Holy Spirit. Jesus told them that they would receive power, and that they would be his witnesses throughout the world.

In the Bible, we read that at Pentecost, seven weeks after Easter, 'the disciples were praying together, when a violent wind filled the whole house, and what seemed to be tongues of fire came to rest on each of them. All of them were filled with the Holy Spirit.' (Acts 2:1-4) Later that day they started telling people about the good news of Jesus and his love for them, and we read that in one day more than 3,000 people became believers. The church had been born – it must have been an exciting time!

There are now more than 2.3 billion Christians around the world, a figure growing by more than 30 million per year. Here in North Hampshire we too are rejoicing at new growth in our churches, from new services starting on Sundays, to 'Messy Church' services mid-week, new youth groups, holiday clubs, and so much more.

Just as Jesus promised the Holy Spirit to his disciples, so he makes an amazing promise to each one of us. He says: 'I have come that you may have life, life in all its fullness.' Jesus promises that there is more to life than we can imagine. It may be that going to church is a distant memory for you. If so, why not come and join us afresh, this season of Pentecost?

Churches' Summer Holiday Club, 5th–8th August

See the children's section for details.

Sunday 30th June – 5th Sunday

On Sunday 30th June there will be just 3 services in our group of twelve churches. The 10.30am Holy Communion at All Saints', Odiham, and the 6.30pm Informal Worship Gathering with Communion at St Nicholas Newnham, will be the first Holy Communion services celebrated by Chris Dudgeon and Helen O'Sullivan as priests; it is hoped that as many people as possible can come along to support them. In addition, All Saints', Long Sutton, will be holding a Book of Common Prayer sung Evensong (with choir) at 5.00pm, and all are most welcome to attend this service –there is plenty of time afterwards for people wishing to reach Newnham for 6.30!

Would you like to receive Communion at home?

For many centuries, taking Communion to the housebound has been part of the traditional Anglican ministry. Across our twelve villages, we already take a number of home Communions but perhaps there are more who would like to receive Communion at home than we know about. So if you would like to receive Communion at home from one of our authorised ministers, we would love to hear from you so that we can visit.

It may be that you know of a neighbour or somebody else in the village who would like to receive home Communion. If so please contact us on their behalf and we will be in touch. Please contact the office on nhdboffice@gmail.com or phone us on 01256 703791.

Church Golf Day

The North Hampshire Downs Benefice will hold its first ever golf day on Monday 30th September this year. As well as 18 holes of golf we will serve coffee on arrival at 9.30am, a two course carvery meal immediately afterwards, and will award prizes.

The venue will be Basingstoke Golf Course and, if you have not played this delightful parkland course, this could be your last opportunity as the club moves across the motorway to Dummer in 2020.

This will be a charity event with funds raised going to support the 12 churches in our area. It is open to all, men and ladies. We will play in groups of 4. If you enter as an individual, then we will put you in a group, or enter in any multiple you choose. The cost is £85 per player.

At this stage, if you are keen to play, would you email lewis.scard@btinternet.com purely to register an interest. I will then revert to acknowledge receipt and then at a later stage to seek payment.

I am planning on a good number – do not let me down.

Lewis Scard, Churchwarden, All Saints Odiham

Thank you to all regular donors to St Mary's Church, Upton Grey

We wish to thank all of you who regularly donate to St Mary's Church for your support. Your generosity greatly helps in providing a stable and predictable source of income essential for financial planning.

Our Church has continued to thrive and its activities have continued to develop. To give just two examples, our youth pastor, Helen Chatfield, has played an invaluable role in providing activities for children within our community and building strong links with local schools. A Tea-time service has also been introduced on the fourth Sunday and is proving popular. In addition, major repair work has been carried out to the Church and the Churchyard.

St Mary's is self-funding. Our income in 2018 fell short of expenditure by over £8,000, largely due to work on the Church. This involved expenditure of an exceptional nature and will not recur in the current year. We are aiming for a balanced budget in 2019 but remain heavily reliant on the generosity of our regular donors and of others who participate in the Fete and Safari and Harvest Suppers.

In June 2018 we introduced the Parish Giving Scheme which is widely used in other parishes. It reduces administration for our Church officers and improves cash flow through the automatic and rapid recovery of gift aid. Gift aid on other forms of donation can take months to claim and recover. 38 of our regular donors have so far switched to the Scheme, while 21 regular donors continue to give under standing orders. If you have not already switched or wish to become a regular donor, please consider joining the Scheme. Geoffrey Yeowart will be happy to answer any questions and provide the necessary form.

The amount of your donation will continue to be treated as confidential, regardless of your method of donation.

Your continuing support is greatly appreciated in enabling us to plan ahead and ensure that St Mary's continues its active role at the heart of our community.

Expect songs. Expect games. Expect crafts. Expect silly costumes. But most of all, expect bucket loads of rootin' tootin' laughter! All of this, to teach us about the wonders of God, and how we can learn from him each and every day.

Children from 4-11 (and their younger siblings) are very welcome: £20 for the whole week, or £5 per day. Follow the link on www.allsaintsodiham.org.uk to register, and see you there!

Fathers' Day

It's almost father's Day! On Sunday 16th June we will be celebrating Father's Day. This is a day not only to remember our dads, but all male role-models in our lives. Have you ever thought about how amazing dads are? To us they might be a lift to football, the best cheese-on-toast chef in the world or the giver of amazing hugs, but to others they're something quite different – maybe a loving husband, a kind boss, a teacher, a son... one person, yet so many amazing people!!

On 16th June we also celebrate Trinity Sunday, which is when we think of God, Our Heavenly Father (as well as God the Son and God the Holy Spirit!) You see, God's a bit like our Dad:

We think of God the Father as the creator of the universe – powerful, creative and generous. He's the part we pray to in The Lord's Prayer.

God the Son is Jesus. He came down to Earth to show us how to live. He died on the cross to take away our sins and then came back to life on Easter morning.

God the Holy Spirit is the part of God which He left on Earth to comfort us and show us how we should live. He's like God inside of us.

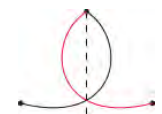

One God, but three amazing parts! Trinity actually means there are three parts to God (tri means three – can you think of any other words starting with tri that are connected with the number 3?)

Let's Draw a Simple Trinity Knot!

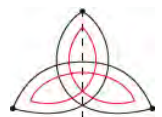

1 Sketch a dividing line, putting a dot to the lower left and lower right, and at the top.

2 Draw a fat arc starting at the top dot, arcing to the right of the divider, and over to the left hand dot.

3 Draw another arc from the top dot, down to the left of the divider, and over to the righthand dot.

4 Join the left and right dots together with an arc that bows upward in the middle. This completes the basic outside shape of the trinity knot.

5 Now draw a second trinity knot line on the inside of your first line. Keep the width even throughout.

6. Weave your overs and unders to complete. Study the knot below and see which intersecting lines from Step 5 need to be erased. Fill in with a colour of your choice.

Why don't you have a go?

NEWS FROM THE VILLAGES

Local Police Report

Dear Residents,

I start this month with the theft of a small quad bike from a shed that was broken into between 5.00pm on May 10th and 9.00am on May 11th, in Basingstoke Road, Upton Grey. If anyone saw anything suspicious, please give me a call direct. The same night a gate was rammed at Weston Hill, Weston Road, Herriard and a vehicle, driven by poachers looking for hares and deer, was steered across growing crops, causing substantial damage. If anyone sees lights or vehicles on farm fields after 10.00pm or the early hours, please call the Police. Local farmers and game keepers do let us know when you are out and about, so we can check to see if it is in order.

On May 1st at about 1.30pm a blue VW saloon RE16 J** was seen in the Hoddington area, Upton Grey, at the rear of a premises interfering with the perimeter Harris fencing. On May 7th the vehicle was seen again in this area. The Police are aware of the owner of this vehicle and I ask residents to please keep a look out and report any sightings.

On the night of May 1st/2nd two sheds were broken into in the Dummer Down Lane area of Dummer in which several chainsaws and an electric cable were stolen. The thieves came into the rear gardens of the premises from a field. This is exactly the same as on the night of April 22nd/23rd, when two sheds were broken into at Axford where the thieves again went into rear gardens via a farmer's field. If your garden backs onto a field please make sure your gates and outbuildings are secure.

Many thanks as always

News from Long Sutton Church of England Primary School

As a 'Trailblazer' school, we make a commitment to promoting outdoor learning and environmental education. 'Trailblazers' is an outdoor learning scheme for young people in Hampshire, Portsmouth, Southampton and West Berkshire. As a school, we build up our Trailblazer hours over the year in various ways. Children love learning through engagement with the outdoor environment and when we ask our Year 6 leavers about their most treasured memories of Long Sutton School, their experiences in the grounds and other outdoor locations are always top of the list.

The three strands of 'Trailblazers' are: discovering the environment; exploring the environment; and caring for the environment. Through rich outdoor learning experiences, our children develop teamwork skills, respect for nature and an understanding of how and why we need to look after our world.

With this in mind, we are undertaking a long-term project to become a 'bee friendly' school. In June, our Year 6 leavers will be attending the Diocesan Leavers' Service at Winchester Cathedral; all schools have been asked to create a 'bee-inspired' piece of artwork and bring along a bouquet of locally-grown, bee-friendly flowers. Our School Council are, therefore, inviting families and local residents to plant bee-friendly plants in their gardens and donate cuttings / flowers, which will form part of our school bouquet for the Cathedral. We would love to receive some photos of local bee-friendly gardens (email to adminoffice@longsutton.hants.sch.uk) and will be accepting donations of flowers on Thursday 20th June (please bring them to the school office). For a list of bee-friendly plants go to <https://friendsoftheearth.uk/bees/bee-friendly-plants-every-season>.

If you have children of Primary School age and would like to find out more about us, I would love to show you around our 'vibrant and exciting' school (Ofsted March 2018). We currently have spaces in most year groups.

These include fish pie, beef lasagne, chilli con carne, vegetarian butternut squash lasagne, steak and ale pie, cottage pie, beef stew and dumplings, macaroni cheese and bacon, Thai green curry. and vegetarian macaroni cheese. Calling all dog owners

It seems we have a problem again with dog faeces not being cleared up, particularly on footpath 12, running from Greywell Road around the back of Manor Farm, past the folly, exiting by the Vicarage on Church Road.

It first started about 4 months ago, so it may be someone new to the village with a large dog. Every night there is yet another huge pile of dog poo along the path (always right where you walk), this cannot be an accident missed by an owner.

This behaviour will not be tolerated...you are being watched and will be reported to PC Andy Read once caught. You have been warned!

From the bell tower

One of the top ten favourite sounds in Britain is that of church bells. Upton Grey is blessed to have a lovely ring of six bells in the church, and a dedicated band gather each week to practise. On Sunday mornings we ring for half an hour prior to the Service. Bell ringing is a wonderful, very distinctly English pastime that requires dedication and commitment to learn, particularly in the early stages, but which rewards over time with the satisfaction of being part of a team and learning a delightful skill.

We are looking for some additional learners from 11 years old upwards to boost our numbers, particularly those who would be willing to ring with us on Sunday mornings after appropriate training. If you think you would like to learn, or find out more, we will be at the Fete on 8th June so do come and have a natter and see what's involved.

Autumn Shoebox Appeal 2019 for St Mary's Church

This autumn, St Mary's will be supporting the LinktoHope charity (a small UK-based Christian charity distributing c.45,000 shoeboxes a year to Romania, Moldova, Ukraine and Bulgaria where there are many desperately poor families and elderly people living lonely, isolated lives). This is a Family and Elderly Christmas shoebox appeal that need to be ready in October. So, please start collecting now e.g. empty shoeboxes.

LinktoHope's website suggests a strong adult size 8 shoebox filled with six essentials such as toothpaste/toothbrush and soap/flannel; then a further five items from their Family or Elderly list. The lists are there to give your ideas, but you don't need to feel limited by them – just fill your shoebox with a mix of practical and 'nice to have' items.

Just remember items should be new or unused. Their website www.linktohope.co.uk/shoebox-appeal-2019 has more information. The shoeboxes aren't opened before shipment but must have a list of included items taped to the top of the box, once wrapped. LinktoHope doesn't put any literature with the boxes and promises not to discriminate who the boxes are given to. We're also planning a couple of fundraising events in the months to come to help pay for the £3/box needed to pay for transportation/groundwork. Last year we received over 80 shoeboxes, which were blessed in the church before their journey around the world. Please get involved and fill a shoebox. If it gets a bit expensive then involve family and friends and make one up together. Every shoebox makes a difference.

The court is in great condition. We hold Summer and Easter coaching for 5–12 year olds, with 30–40 children each time, and an annual mixer event for all members. We are members of the LTA (the Lawn Tennis Association), and are keen to get as much usage of the court as possible.

Summer Children's Tennis Coaching: 5th–9th August

UG Summer Horticultural Show: Saturday 10th August

We're a typical horticultural show where there are lots of classes for you (and your family) to enter ranging from craft, cookery, preserves, photography, artwork, vegetables, flowers, flower arrangements, Lego, a baking class for men, to a class for the over 60s. There's a small entry fee for adults but FREE for children (grandchildren who don't live locally are always welcome to enter). We've set a closing date for entry forms of Wednesday 7th August so we know how much space to allocate for all your lovely exhibits.

It's a show for residents of our local villages and exhibits will be judged on that basis as no professionals are allowed to enter. There are small monetary prizes as well as cups and medals to be had.

On show Day you bring your pre-entered exhibits to the show site – the meadow opposite Upton Grey Church – and head for the large white marquee where you set them up for judging later that morning. You need to bring them by 10.30am.

In the afternoon we'd love everyone to come along with any friends, family and visitors to see how your exhibits fared, or just come along to enjoy a grand afternoon out. We've got attractions of Alpacas, Punch & Judy, Pigs, and Falconry. There's Tombola, Children's Tombola, and Raffle as well as cottage industry stalls. Ice cream is always popular. The Tea Tent is always worth a visit. There's a Novelty Dog Show (not for professional show dogs) – you can enter your dog/s on the day. And there's a dance in the evening

A brochure containing all the information you need to know about the Show will be popping through your letterbox soon (if it hasn't already) and you can also find copies in the Upton Grey Shop, South Warnborough Shop and Newlyn Farm Shop.

We are excited about our Summer Show and look forward to receiving your entries and seeing your exhibits as well as meeting everyone on the day.

***As You Like It* Open Air Theatre, Church Meadow, Upton Grey
4.00pm Sunday 11th August**

Known as Shakespeare's perfect pastoral play, for Summer 2019, Rain or Shine Theatre Company are delighted to present...AS YOU LIKE IT

“All the world's a stage...” Join one of Shakespeare's most famous heroines, Rosalind, as she makes her way in a world full of power, jealousy and tyranny. In fear for her life and in search of true love, she flees her heritage with her cousin Celia and fool Touchstone. Will disguising herself as a country lad lead her to a new life full of hope, laughter, and her banished father?

With songs galore, hand-to-hand wrestling, idiotic shepherds and the infamous melancholic, Jaques, this comedy is ideal for all the family. So pack your picnic, rugs and chairs, pop open some bubbly and sit back and relax in the summer sunshine, while we whisk you off to the Forest of Arden where anything can happen!

Gates open at 3.00pm for picnics (bring your own seating) – the Summer Flower show marquee will be there for if it rains!

Recipe of the Month

Rhubarb and custard pie with crumble topping

350g rhubarb, cut into small chunks

100g caster sugar

350g sweet shortcrust pastry

1 large egg & 1 egg yolk

1 tsp vanilla extract

1 tbsp plain flour

284 ml single cream

For the topping

50g melted butter

50g demerara sugar

50g porridge oats or muesli

Half tsp ground ginger

Method

1. Pre-heat oven to 180C/gas 4/160C fan. Put the rhubarb and 50g of the caster sugar in a saucepan and warm just long enough for the sugar to melt. Cool.
2. Roll out pastry and use to line a deep 24cm/9in flan tin. Prick with a fork and bake for about 15 mins, until just pale golden. Remove from oven and turn temperature up to 200C or equivalent.
3. Beat together the egg, egg yolk, vanilla extract, 50g caster sugar and flour, then gradually add cream and any rhubarb juices. Add rhubarb pieces to pastry case then pour over the cream mixture and bake for about 20 mins.
4. Mix together all topping ingredients, and spoon over the pie, then return to oven for a further 15 mins. Topping should be golden and custard set. Serve warm or cold. (Based on BBC Good Food).

News from St Mary's Primary School, Bentworth

The end of the Spring term has come and gone, and we are well into our final term for this academic year. There has been so much to learn and so much to experience as we look back over the past weeks and I am inspired and proud of what we have achieved together.

A couple of very proud moments....

Our History visitor, Paul Ullson, made a point of sharing with me his evaluation of Lime Class: "What amazing pupils you have Mrs Ayres—they know so much and are so curious about the past and what we can learn from it. They are impeccably well behaved! Thank you for inviting me." Paul Ullson spent two mornings with them exploring the Scots, the Saxons and the Vikings. Lime Class came out buzzing every session! Well done them!

Oak Class visited Portchester Castle on a beautiful sunny day and had such fun. They loved the whole day and came back full of the love of learning! Miss Baker came back with a glowing report about their approach to the trip and their learning but also of a report from the educational leaders at the castle to say that they have never had such young children show such interest, curiosity and respect. They could not believe they were Year R and Year 1. Their behaviour made the day so special! Well done Oak!

Pirate Day was just such fun and with a lovely pirate picture in the Alton Herald

The Spelling Bee was full of tension and challenge and (as you would expect me to say but it is true— I promise!) our pupils showed such resilience. There were 3 points between the top three teams so it was very close! George's Pupil Council project still going strong!

A thank you!

A huge thank you to everyone who supported the recent Curry and Quiz Night! We raised over £1500 for the school!! Whether you planned, worked or dined at the event, thank you so much for your support!!

And now, as we look forward to the summer, already we are buzzing with learning and new adventures; As music leader, Arlo Freer (Elder Class) has organised a wonderful event this term for the pupils. On the 18th June the school will become a hive of musical expression and creativity – I was delighted and very impressed with his proposal and he has worked so diligently to create this opportunity for our community.

Thank you to the parents, governors and staff who worked over the Easter holidays to make the school spick and span for the Summer term. It is so appreciated.

World Downs Syndrome Day on Thursday 21st March

Through wearing odd socks and from the sale of the delicious cakes, we raised £283!! Well done everyone!

As the weather becomes warmer, the children are really enjoying the field and the den-building and football are a real hit at lunchtimes. Mrs Cobley's gardening club is doing very well too– the garden is looking fabulous! Mrs Cobley is also supporting Stephanie our Eco-Warrior leader in launching their Summer term initiatives on Eco-Day. Thank you to all those who reversed their uniform on last week (it did feel a little weird and uncomfortable) reminding us how uncomfortable and weird our world feels right now. David Attenborough's quote is what inspired our Eco-Warriors and our pupils to change our habits – please support us to begin to make the changes we need to.

Calshot is creeping up on us and we can't wait to enjoy this special and exciting time with the pupils. It is such an important part of the curriculum where children can use so many skills they need in the 'real world'. The grit, determination, positivity and emotional stamina needed to be away from home and to complete challenges, really inspires growth.

Thinking about next year... due to low numbers in Alton, low sibling numbers and very low catchment numbers this year, many if not all Alton schools have Year R September 2019 places – this includes us so please pass your recommendation on to other parents who may be thinking about their choice or who are new to the area. I think a recommendation from another parent is 'gold dust'.

The summer term is so important for all pupils but it is very special for our Year 6 pupils as we wish them good luck for their SATs – as the Liverpool Football Club manager said when asked about nerves: "What have we got to be nervous about? We just do our best and that's it." You have worked really hard all year, done your preparation and your attitude has been exemplary – be proud! Go for it! Let's put that resilience to the test.

Murder on the Canal

On an evening in early spring, the John Pinkerton II sailed from Colt Hill wharf in Odiham, west along the Basingstoke Canal, towards King John's Castle. The night was mild, the setting sun cast long shadows on the water. The thrum of the diesel engine lulled the passengers as they sipped their drinks. But all was not as it seemed: dark deeds were afoot, for this was a murder mystery cruise! We can't tell you whodunnit but we can tell you the trip was sold out and enjoyed by all, so look out for our next one.

John Pinkerton Cruises raise money to maintain this lovely canal for the future. Regular public trips and themed cruises run throughout the summer. The boat, with crew, is also available to charter for family celebrations, private parties, club or business events. Information can be found online at JohnPinkerton.co.uk.

If you haven't discovered this hidden gem in North Hampshire, now is a good time to start exploring the Basingstoke Canal, a 32-mile long country park with something for everyone to enjoy. For information on the Murder Mystery Cruise – visit www.basingstoke-canal.org.uk/jp/

Lasham Classical Music Festival: Wednesday 5th–Sunday 9th June

Welcome to the Lasham Classical Music Festival 2019.

This unique festival brings together talented artists who will perform a programme of wonderful classical works.

Our aim is also to provide support and funding to develop local young musicians in partnership with The Esseham Music Charity; we take great pride in asking some of the students to perform at our events.

This fourth annual festival runs from Wednesday 5th June–Sunday 9th June, at St Mary's Church, Lasham. This year's programme explores a great wealth of 20th-century composers influenced by the conflicts that they lived through and witnessed first-hand.

On Wednesday 5th June, at 7.30pm, the opening concert consists of Britten's *Temporal Variations* and Edward Elgar's Piano Quintet. On Friday 7th June, we have introduced a mid-day concert featuring Stravinsky's *L'Histoire du Soldat* (The Soldier's Tale) for violin, clarinet & piano.

On Saturday 8th, our supper concert explores the theme of conflict with John Williams's Theme from *Schindler's List* from the 1994 Best Picture, two movements of Copland's ballet *Billy the Kid* and Prokofiev's *Overture on Hebrew Themes*. A supper interval of 80 minutes lets you dine either at The Royal Oak or in the marquees with a picnic hamper from Grassi and Jones.

The festival concludes with two works directly influenced by the Second World War, Ernest Moeran's Fantasy Quartet and our final work is Messiaen's Quartet for the End of Time which was written whilst he was a prisoner of war in a German camp. One of his most important works, this seems a perfect finale for this year's festival.

Our festival programme also contains a great deal of popular classics unrelated to war. Mozart's *Eine Kleine Nachtmusik*, Chopin's Piano Sonata No.1 and Saint Saens's Septet provide music for all tastes and we hope that you'll join us for some unforgettable concerts in St Mary's Church, Lasham, this June. Tickets £10.00 for adults (free for under 18 and students with ID) for the evening concerts and £5.00 for adults (free for under 18 and students with ID) for the mid-day concert. Tickets are available online at: <https://www.lashammusicfestival.co.uk/programme>. They can also be purchased in person from The Royal Oak, Lasham and Newbury Building Society, Alton. For the festival evenings, supper will be available from at The Royal Oak, Lasham: 01256 381750, or a picnic supper from Grassi and Jones: 07765676053. Menus and supper ordering will be available on our website www.lashammusicfestival.co.uk.
