**Message from the benefice Ministry Team**

Have you ever just sat and watched as a young child desperately tries to copy something their parent is doing? Whether it's sitting in a certain way, tying their shoelaces, or even using phrases they've heard – both good and those not necessarily to be used in polite company! A few weeks ago, I had the absolute pleasure to be sitting on a mat in the sunshine playing with my youngest goddaughter, who was about to turn one. I don't know quite what possessed me but, in attempt to make her smile, I started clicking my tongue at her. She immediately cocked her head to one side, fixed me with her intelligent eyes, listened really carefully, and proceeded to click back. This 'conversation' went on for some time – me clicking, her responding, me clicking back. As it continued, she got more and more excited, grinning from ear to ear – as of course was I – and becoming more and more confident with her efforts.

This got me thinking – who do I listen to... I mean really listen to... who do I pay attention to? Who, when they say or do something, do I really want to emulate? Who or what do I allow to influence my life? Our daughter used to be an international competitive swimmer. She'd practise her strokes for hours on end in the pool, listen to her coaches for advice, watch other swimmers to see how they placed their arms or flapped their feet. She knew, if she spent time listening, watching and putting into practice these good habits, she'd become a better swimmer. She dedicated hours of her time to just being around the people who could help her become better. As her coach always said, 'practice makes permanent'. He didn't like the other version, practice makes perfect – as he quite rightly pointed out, if you're practising doing it wrong, you'll only get worse!! You see, the people we spend time with, the things we watch, who we listen to... they all influence so crucially who we are, what kind of person we become...

So, my question is, who do we choose to surround ourselves with? What practices or habits are we forming now, which will eventually become permanent? Is it our friends around us? The sports team we're part of? Work colleagues? Family? Technology? You see, however hard we try, it is almost impossible to allow ourselves only to be influenced by the good, to filter out the stuff that isn't useful. In fact, let's face it, it is impossible.

We see people we sometimes barely even know and yet admire, and somehow wish to copy their dress sense, attitude or taste in music. What else are we allowing them to influence us in? Where do we draw the line between being part of the crowd and succumbing to peer pressure?

As you read these lines, we will be heading into Easter. A time when we remember Jesus, arguably the most influential person in history, at his most influential moment – the days surrounding His death and resurrection. As we leaf through the Bible’s account of those days, we see example after example of ways that Jesus was an influence on those He came into contact with. Whether it was His saving words to His fellow prisoner, as He hung on the cross; the stark image of the darkened sky and torn curtain, which convinced the centurion of who He really was, or even doubting Thomas, as he was able to experience the physical proof of Jesus’ resurrection. They were all changed in some way through their encounter with Him, spending time in His presence.

But His influence certainly didn’t stop there. Today nearly 2.5 billion people around the world would consider themselves Christians, their lives influenced on a daily basis by Jesus and His life – and that’s not to mention those whose lives are governed by legal systems and moral yardsticks, based on His teachings.

But the scariest part of this influence thing is it goes both ways... Just as much as you are influenced, you are also influencers! There are already people who are looking up to you for advice and help. Your admiring grandchild, your employee, your neighbour, the one who pops around for coffee, even though you wish they wouldn't; these are the people you are probably already influencing.

You have most likely come across our new logo over the last few weeks – More+, and I guess this is exactly what that logo and the idea behind it is all about - that we as a church become ever more influenced by Jesus’ teachings; become filled with more love, joy, peace, kindness and more of a sense of purpose, and that the fruit of this influence will ripple out into our communities as we offer them life, and life in all its fullness.

## New Church Website is launched...

We have recently launched a new website for our local network of churches, which includes St Mary's Upton Grey, All Saints Tunworth, St Lawrence's Weston Patrick, and St Mary's Herriard. The web address is [www.moretolife.church](http://www.moretolife.church). Do take a look!

The new website has been created as we are operating more and more as a network of 12 local Anglican churches (the 'North Hampshire Downs Benefice'), and so we need a web address that is more overarching. We feel this reflects our vision of 'more to life'. Jesus said that he came that we might have life - and life in abundance. Our hope is that everyone across the benefice would discover Jesus and come to know him more – and that as we follow him, we will discover new and abundant life in him – life in all its fullness. This focus on abundant life – that there is 'more to life' than we might have imagined – is what we have drawn on for the new visual identity for the network – and why the logo is 'more+'. It reflects our desire to know Jesus more, to discover together more of the love, joy, peace, kindness, purpose, hope, that we find in God, and to make more of a difference in our community. You will begin to see the 'more+' logo increasingly around the area. Have a look at our new website, where you'll find details of all our church services, do come and join us on Sundays – you'll be so welcome! ## Dates for your Diary

- **Wednesday 4th March** – All Saints After School: Crafts, Games, Stories, Snack at All Saints Odiham, 3.15–4.30pm.

- **Sunday 8th March** – Informal Family Worship at Upton Grey, 4.30pm. A reminder that these **Upton Grey Tea-Time Services** are now on the second Sunday of the month not the fourth (but please note there is no Tea-Time service on Easter Day).
- **Sunday 15th March** – the launch of the new Tea-Time services at St Andrew's South Warnborough (see below).

👋 On **March 22nd** there are special **Mothering Sunday Family Services** with hymns at Tunworth (9.00am), Herriard (9.45am) and Upton Grey (10.00am). The whole family will be most welcome.

👋 On **Good Friday (April 10th)** there is a Workshop for Children & Young People at Upton Grey at 9.30am, leading on to a special Good Friday service (with music) for families at 11.00am.

👋 A reminder that the **Sparks** activity, which last year took place on the second Sunday of the month in Upton Grey, is paused for the time being.

👋 **New Tea-Time service launches March 15<sup>th</sup> - Rev Simon Butler**

We are excited to be launch a new tea-time service on March 15th. The service will be held at **St Andrew's South Warnborough starting at 4.30pm** on the 1st and 3rd Sundays each month. The service will be

informal, relaxed and suitable for all ages. There will be time to worship, pray, teaching and reflection and we'll offer some dedicated provision for younger children too. We'll offer supper for children, coffee and cake for adults and the Network youth group will meet after the service. Come along on 15th of March, we'd love to see you.

👋 **FairTrade**

I want you to try something for me. Grab a piece of paper and on it draw a picture of all the things you ate yesterday. Your meals, snacks, sweets... now tear off everything you threw away. So, if you had 2 Weetabix for breakfast but left a bit or didn't finish the milk, tear off a small piece of the bowl of Weetabix you have drawn. Tip the torn pieces of paper into an empty bowl. In some countries, where there is famine, some people eat only this much food every day – some less than this!

Some of us actually throw away more food than some children in the world get to eat in a day! In a small country, Lesotho, that I visited many years ago, some children don't eat anything at all on some days and have to scavenge for grass seeds and roots to eat. It doesn't seem very

fair, does it? As this magazine comes out, we will be in the middle of something called 'Fairtrade Fortnight'. You may have heard of it – I expect you definitely recognise the symbol. It's a time when we especially remember those in our world who aren't treated fairly and who don't have as much as us. Maybe we can do that by looking out for this symbol when we go shopping with our parents.

I especially love Fairtrade bananas, sliced and dipped in melted Fairtrade chocolate and popped into the freezer – yum! But maybe you can help by just making sure you don't waste all the lovely things that you're lucky enough to have. **Helen Chatfield, Youth Pastor (Tel: 07540 140228)**

## NEWS FROM THE VILLAGES

### **Please slow down along Weston Road Between UG and W. Patrick**

You will have noticed that Weston Road has been flooded recently in the area just before the new development. Please, we ask that when you drive through the flood, you slow down to below the 30mph speed limit, and consider the wave of water that is being created by your vehicle. Homes and gardens are in this area and slowing down would prevent so much water being sprayed onto our land. Many of us have cellars which are at risk of flooding. Thank you, Weston Road Residents

### **Local Police Report**

'Dear Residents, On Jan 30<sup>th</sup>, a commercial premise was broken into in The Avenue, a man has been arrested on suspicion of burglary, enquiries are continuing. Overnight of Feb 5<sup>th</sup> and 6<sup>th</sup>, a cement mixer, and other equipment was stolen from the new building site in Weston Road, Upton Grey. If anyone saw anyone or vehicle acting suspiciously that evening / night, please give me a call direct. On February 11<sup>th</sup>, 2020 a garage was broken into at Herriard near the Fur and Feathers public house. Several local people became aware of this crime and I wish to thank you for your assistance. If anyone has any information or can assistance with any of these crimes, please give me a call direct.

May I also take this opportunity to clarify the best telephone number to call: If you see a crime, any crime taking place at the time, please dial 999 immediately, if you discover a crime that has happened over a much longer period and is not in progress please call 101 to report it. I again ask all residents if you are the victim of any crime, please report it to Police as we need to know what is happening within our communities. Thank you also to the many local people who came out and helped keep the roads open during the recent storms by removing or cutting up fallen trees and branches, especially our local farming community who use their equipment to clear the roads whilst the Highways staff were being used elsewhere.

As spring approaches, I have again been asked by local shepherds to remind ALL dog owners of the problems with sheep worrying. We have this each and every spring where dogs will chase sheep. To the dog it is a game, to the sheep it can cause pneumonia and subsequently they can die from this. I ask that ALL dog owners please keep your dog on a lead when near sheep and farm animals in general, sadly every year this message is ignored, and we have animals injured. Please be aware that farmers do have the right to shoot any dog involved in livestock worrying on agricultural land. Another spring related crime that effects our area is that of theft from vehicles parked in isolated rural areas whilst their owners go walking. I ask if you take your vehicle to any isolated rural area that you please do not place handbags etc. under the seat or in the boot, likewise with any computer type equipment. Thieves can use a device to know that such equipment is in the vehicle. Many thanks for your continued support'. **Andrew REID, Local Beat Constable PC 3746, Tel: 01256 389050. ### **Upton Grey Village Hall: 100 Club, 2020-21**

The facilities of the hall are used by many villagers, ranging from hire of the hall itself to smaller things. We charge a modest amount to villagers, somewhat more to others. Recently, our finances have been hit hard. The biggest blow was the withdrawal by Basingstoke & Deane BC of a free dustbin service; we now have to pay a private contractor. HCC also withdrew 'Hog the Limelight', a subsidised arts scheme that was an invaluable money-spinner.

This year, we have had to replace all the fire escape lights. And now HMRC have ruled that we cannot claim tax relief on the 100 Club income. The income from the 100 Club is more essential than ever for the day-to-day running of the hall. The annual subscription of £24 is split two ways: half is returned to the participants as monthly prizes; the other £12 helps pay for the lighting, heating, cleaning and maintenance of the hall. If you would like support us, please make a cheque for £24 payable to Upton Grey Village Hall Committee.

Please drop your cheque (or cash) subscription either into Brian Thrussell at Wayside Cottage (next to the hall), Caroline James at 15 Weston Close or Hugh Chevallier at Spinners (also next to the hall). Alternately, if you prefer to pay by bank transfer, our account name is Upton Grey Village Hall Committee, (sort code 09-01-51; account No. 86355505). Please also provide your name and postcode. If you are a new player, we will issue you with a draw number. The draw takes place every month at the meeting of the Upton Grey Parish Council. Winners are announced in the parish magazine. Please join and support us. Brian, Caroline, Hugh, Sophie and the rest of the UGVH Committee. Why not take out two subscriptions? The amount of £24 has been unchanged for over 30 years.

### **Upton Grey Village Hall 100 Club March Draw**

- First prize £100 no 101 Mr G Shedden
- Second prize no 96 Mr W Maughan

The 100 Club draw is your UG Village Hall main fundraiser. Subs are £24 pa or £2 per month. Join in any time. Contact Brian Thrussell 01256 862819 or Caroline James 01256 862480.

### **Coffee Morning Saturday March 7th in aid of 'Tommy's'**

## **TEA@3 MARCH**

As there are weekly Lent lunches during March, we will not be having Tea@3 until April. ### **Lent Lunches: 5th, 18th, 26th and 31st March from Jill Lestrille**

Generally, the sessions are the second and fourth Monday of the month. The next sessions are:

- Monday 9th and 23rd March
- Monday 6th and 20th April
- Monday 11th May

The exception being April when the sessions are the first and third Monday in order to avoid the Easter period. All sessions start at 7.30pm. Rubber bridge is played. Tables are worked out on the night but generally 3 tables are played. The club has now been going for some 15 years, thanks to some good loyal players, and meets at the Hoddington Arms. If you are interested, contact **Peter Haynes. Email-phaynes27@hotmail.co.uk or Tel 862433**

### **Safari Supper Saturday – 14th March 2020**

The Safari Supper is a hilarious opportunity to travel the village in aid of St Mary's Church being entertained, fed and watered. It is a fun evening, not to be missed, where you provide one of three courses.

You move around the village for the other two. At the end of the evening of laughter and surprises, everybody congregates in the village hall for coffee, after dinner drinks and tales to tell. If you have a young family, you could request a starter course to give time for children to settle before going out. Just book a babysitter. If you are alone, why not team up with a friend and join the fun. It's a fantastic way to meet new villagers and experience another flavour of Upton Grey. We hope to see you there. Let's make 2020 a Safari Supper to remember. Julia Tel: 862975 and Vivian Tel: 862278

### **Mothering Sunday Family Service at Upton Grey on 22nd March**

I will have the privilege of leading the Mothering Sunday Family Service at St Mary's Upton Grey at 10am on Sunday 22nd March.

All are very welcome, but the service will naturally be orientated towards families, children (there will be a creche), and, especially, mothers. It will be a short service, about 45 minutes, following a traditional liturgy and with 3 well known hymns. There will be a very short address, and, as traditional, the children will be asked to present posies of flowers to all the ladies present. And, as usual, there will be coffee and biscuits afterwards. What's not to like? And, like Sergeant Pepper's Lonely Hearts Club Band, it is guaranteed to raise a smile. So please come along. Paul Birkbeck.

### **Third RNLI Concert: Sat 28<sup>th</sup> March**

Our third RNLI Concert will be held on Saturday 28th March in Upton Grey village hall as usual and will start at 7.00pm. I am also delighted to say that we have our favourite band HEAD NORTH coming back again to wow us with their fantastic Celtic/Irish/American music that will have you all clapping and dancing and bouncing along.

We also have several other well-known local players and groups, many of whom you know from the Hodd music nights... maybe even a few sea shanties as well and some participation songs for you to enjoy. So, all in all another fantastic evening of song, music, silliness, choruses and foot tapping fabulousness awaits you all... go for it... you know you want to! There will be the usual bar and nibbles, beer and wine and a raffle as well. Tickets are available now at £10.00 each (same as last year). Please email me or call to reserve as they go quickly. Tables will be set up and if you have a large group a table could be reserved (if you ask nicely). Looking forward to seeing you all there again. Tickets from [dave.peace@btinternet.com](mailto:dave.peace@btinternet.com) or 07989 542883. **Dave and Cas Peace.**

**SAVED! UG Horticultural Society Spring and Summer Shows**

A big thank you to some pretty amazing people who have come forward to volunteer to help us keep the shows running. June Hunt, Show Secretary.

**Spring Show Upton Grey Horticultural Society: Sat 4 April 2020**

Brochures will be popping through your mailbox and for you to be thinking what classes to choose to enter. A flavour of the classes for adults to exhibit are cookery, preserves, photography, artwork, daffodils and other spring flowers, and rhubarb. For children we have Lego, drawing, colouring, and a collage.

If you have your own hens, then there's a class for their eggs. There's a small entry fee for adults but FREE for children. What's it all about? We hold a small Horticultural show in Upton Grey Village Hall, Church Street. This is a village show for villagers, not horticultural professionals, and exhibits are judged accordingly. You'll need to pre-enter your exhibits, so we know how much table space to prepare for each class. You bring your exhibits to the village hall on Show Day morning when they will be judged. In the afternoon, the show is open to everyone to come along and see the exhibits and there's tea and cakes, a raffle, and a Grand National sweepstake. You then take your lovely exhibits home. There's even prize money for children and awards for various classes. Entries are welcome from our local villages: Greywell, Herriard, Long Sutton, Nately Scures, North Warnborough, South Warnborough, Tunworth, Up Nately, Upton Grey, Weston Corbett and Weston Patrick. So, if you and your family can enter that would be absolutely fabulous. Oh, and by the way, we also encourage exhibits from villagers' grandchildren who don't live in the area. For more information please contact our Secretary, June Hunt, on 01256 862719. **PS: Save the Date: Summer Show, Church Meadow, Upton Grey – Sat 8 August 2020**

Clock Cottage, Cleves Lane, or give me a call on 862705 and I will collect - Debbie Bridle. We are always very grateful for any donations - plants, seedlings, indoor plants, pots/troughs, garden tools, garden furniture/ornaments or anything garden/plant related. Thankyou.

### **Upton Grey St Mary's Bellringers**

The two learners who started with us during 2019 have been making great progress. We are lucky to have support from the ringers from St Michael's Church, Basingstoke. They have welcomed us to use their ringing simulator and led the teaching as our learners got to grips with the basics. After a few training sessions, Sarah and Nigel are now joining us for our regular Thursday practices where they have become part of the band. We plan to start another couple of new learners in the very near future to follow a similar process. With increasing numbers, we are increasing our range of activities and will soon be holding a dinner for the bellringers as well as a tower outing, where we will visit several local churches and ring at each one during the day.

### **Herriard & Lasham with Bentworth WI report for February 2020**

Our talk this month was entitled history of Hampshire in 10 objects, by Mr Tony Cross from Alton museum. Mr Cross, a geologist said the objects were his personal choices and that we would probably all have our own things that particularly reminded us of Hampshire's history. Most of Hampshire is made of chalk which has developed over 65-95 million years and is up to 1500' deep in places. There were a lot of volcanoes, no ice caps and most of Northern Europe was under water. Due to these factors the world was warmer, indeed Iceland had volcanoes under its waters. There is also a lot of flint in Hampshire which apparently is formed from silica which in turn is made from the skeletons of sponges. Shown maps of where the sea was thousands of years ago, most of us were surprised by the much smaller landmass and also learned why there's so much flint used in the local houses. To mention all we were told would take a book, not a few lines, suffice to say it was a very diverse collection of items. This included Crocodiles, shark's teeth, fossils, the Roman walls at Silchester, Florence Nightingale and the Titanic to mention just a few. This was a very interesting talk from a very well-informed gentleman, even the most knowledgeable of our ladies learnt lots of new facts about our county. I for one will be going to check out the Belgian marble fonts at East Meon and Southampton when time permits. Who knew there were so many wonderful treasures on our doorstep? After thanking our guest, we completed our business and enjoyed tea and biscuits before wending our way home. Our next meeting is on **5th March at 2.30pm** at The RBL hall Herriard, our talk entitled **Tales from the Green Room** by Alan Grace. You will sure of a warm welcome so please do come along.

We have lots of events to look forward to and a great plan for our allotment! Our last Meeting showed a full house at our AGM, it was great to share ideas and plans, some of which I have listed below. First let's look at a few tasks for this Month in the garden:

2. Plant shallots, onion sets and early potatoes.
3. Divide overgrown clumps of perennials.
4. Prune roses.
5. Spread compost around beds.
6. Keep on top of weeds, by regularly hoeing.

## **Recipe of the Month: Butternut Squash and Sage: By Becky Wills**

*Ingredients: Serves 4*

- 1 kg Butternut Squash peeled and cut into bite size pieces.
- 3 tbsp olive oil.
- Bunch sage, half roughly chopped, half left whole.
- 1.5 L vegetable stock.
- 50g butter.
- 1 onion, finely chopped.
- 300g risotto rice.
- 1 small glass white wine.
- 50g Parmesan

*Method*

1. Heat oven to 220/200 fan/gas 7. Toss the squash and chopped sage in 1 tbsp oil into a shallow roasting dish and roast for 30 minutes until it is brown and soft.
2. While the squash is roasting, prepare the risotto. Bring the stock to the boil and keep on a low simmer. In a separate pan, melt the butter over a medium heat. Stir in the onion and cook for approx 10 mins until soft but not coloured. Stir the rice into the onions until completely coated in the butter, then stir continuously until the rice is shiny and it starts to look transparent.
3. Pour the wine and simmer until it has completely evaporated. Add the stock, a little at a time, stirring all the time over a low heat, for about 30 mins, until the rice is cooked al dente.
4. Gently fry the whole sage leaves in a little olive oil until crisp, then set aside on kitchen paper. When the squash is cooked, mash half of it to a rough purée and leave half whole. Stir through the purée. Add the cheese and butter and leave to rest for a few minutes. Serve the risotto scattered with the whole chunks of squash and the crispy sage leaves. ENJOY!

**OTHER NEWS AND EVENTS****North Hampshire Downs Mothers' Union: Tues 17th March**

Thankyou to everyone who supported out New Year Gift Swaps in Odiham and in Long Sutton in January. We raised a total of £123.71 for our 'Away from It All' Family Holiday in August. In January, we also held our annual Wave of Prayer service and held it in the cosy surroundings of the Lady Chapel in St John's Church in Hook. Our next meeting will be on Tues 17th March when Cathy Roberts from the Spurgeons charity will tell us about their work in Winchester Prison. They run the Visitor's Centre for families visiting their loved ones in prison, and some Mothers' Union members are volunteering there.

Spurgeons also run parenting courses for the prisoners, and Families Day which allows the Dads to spend time with their children in a more relaxed way than is allowed at normal visiting times. They also now run the Angel Tree project, which buys Christmas presents for the children of prisoners. Mothers' Union was happy to supply 50 gifts for the children of the prisoners at Winchester Prison – a small but important way to support these families. Non-members are welcome to join us for our meetings. If you want to join us or just find out more, please contact me on 01252 845011. Sue Murphy.

### **Luminosa Concert Saturday 28th March in All Saints Odiham**

Alton-based choir Luminosa Voices celebrates its ten-year anniversary with a concert in the magnificently refurbished All Saints Church, Odiham. In a spirit of joy, rebirth and all things new, the programme features music from three composers who have all drawn on inspirations from the past for their text. Firstly, there is Vaughan Williams' Five Mystical Songs, which finishes with the majestic Antiphon 'Let all the World in Every Corner Sing'. We are also giving the first performance outside London of Cecilia McDowell's large-scale Da Vinci Requiem. This premiered in May 2019 at the Royal Festival Hall by Wimbledon Choral Society. We are thrilled and that the composer herself will be giving a talk during the evening.

Our third piece is the newly-commissioned *Salve Deus, Rex Judaeorum*, an Easter Cantata composed by choir member Alison Willis, a feted composer, who uses the work of Aemilia Lanyet (1569-1645), one of the first Englishwomen to publish a volume of original verse at a time when there was suspicion of women's work in print. The poem is a daring version of the story of Christ told from a female perspective. Under the direction of Rebekah Abbott, Luminosa will perform these at All Saints Church, Odiham on Sat March 28<sup>th</sup>, 7.30pm. Tickets are £15 available via [boxoffice@luminosamusic.com](mailto:boxoffice@luminosamusic.com). Tickets via [www.ticketsource.co.uk/luminosa-music](http://www.ticketsource.co.uk/luminosa-music).
