

Herriard Green Play Area

HM Government's Covid-19 guidance for childrens' play areas stipulates measures that must be taken to ensure the safety of users.

In the opinion of Herriard Parish Council these precautions can not be guaranteed at an unattended site. The provision of suitable full-time supervision is not feasible for us.

To ensure everyone's safety, we have therefore taken the decision that for now, our play area must remain closed.

We know this will be a disappointment to families and children in the area and we will keep the situation under review so that we can reopen as soon as it's safe to do so.

Thank you for your understanding
