BENEFICE MAGAZINE – September 2022
Edition for the Parishes of Herriard with Winslade, Tunworth,
Upton Grey and Weston Patrick

From the Benefice Ministry Team

Do you have a favourite hymn? Recently Long Sutton church had a Hymns & Pimms occasion where people were asked to select their favourite hymn for us all to sing. It was a joyful event which brought the whole community together in the church and the singing was enthusiastic!

As I sit on a sunny summer's day looking out onto the beautiful plants blooming in the garden the hymn 'Praise to the Lord the Almighty the King of creation' is running through my head. It always astounds me the wealth of variety

and the intricacy of pattern on the plants that grow. I love the surprises of the growth of plants I didn't put in the garden, this year I'm loving a lavender that seems to have sprung up in the gravel below my dining room window.

Praise should form so much of our prayer to God and yet so often our prayers are so full of requests we run out of time to praise God. Maybe this is a hymn we can all focus on as it gives us many practical suggestions of what we can praise God for.

The first verse reminds us to praise God for his wonderful creation and taking time to watch the bees busy amongst the flowers or the birds circling in the sky can lead us to praise God for all the wonder of his created world.

The second verse reminds us to praise God who uplifts and sustains us. I particularly like the line 'has thou not seen how thy hearts wishes have been granted in what he ordaineth'. This line is so personal to me as having become a licensed lay minister in the North Hampshire Downs Benefice has given me such joy and fulfilment that I could not have expected when I first began training in ministry in the church.

The hymn reminds us that no matter what seems to be going on in the world the Lord reigns over it all. It reminds us God is a Lord of the whole universe and yet shows love for each of us individually as his goodness and mercy daily attend us. It reminds us that although God is almighty he befriends us.

So maybe you would like to look up the hymn and have a sing making the words a prayer and a reminder each day to praise God for our world, his love and the relationship he offers us.

‘Let the Amen sound from his people again, gladly for ay we adore him’.

Suzanne Newcombe
Licensed Lay Minister

CHURCH NEWS

Harvest Festivals

The **Upton Grey** Harvest Supper will be on Saturday 1st October (see poster in the Upton Grey News section of this magazine), with the Harvest Family Service the next day Sunday 2nd October at **10.00am**.

The **Weston Patrick** Harvest Communion service will be on Sunday 9th October at **11.00am**, followed by the Harvest Lunch (details in the next edition of this magazine).

The **Tunworth** Harvest Evensong will be on Sunday 9th October at 6.00pm (no harvest supper this year).

The **Herriard** Harvest service will be on Sunday 16th October at **10.00am**, with the Harvest Supper & Auction on Wednesday 19th October (see poster in the Herriard & Winslade News section of this magazine).

Ride & Stride – September 10th

Ride & Stride is the single largest source of income for many historic churches trusts enabling them to make grants to places of Christian worship. Taking place annually on the second Saturday of September, the funds raised can be split between the nominated trust and the participant's chosen church or chapel. Hampshire and the Islands Historic Churches Trust (HIHCT) has been involved with the event for many years.

This year the date is September 10th, and all four of the local churches will be open to support the event. Please see www.hihct.org.uk and the four village News sections in this magazine.

Coffee & Cake Drop-in – September 12th

St Mary's Upton Grey are holding a Coffee & Cake Drop-in on Monday 12th September between 10.00am and mid-day in **Upton Grey Village Hall**. . Tea or coffee, slice of cake, chat - open to all, very informal, no need to book, just turn up!

Rev Simon

Upton Grey church choir

The Upton Grey church choir is restarting in September – please see the poster in the News From The Villages section of this magazine.

Licensing of the Revd Gillian Wilton

The new vicar for Long Sutton and South Warnborough, the Revd Gillian Wilton, will be licensed by Bishop David at a service in Long Sutton church on **Sunday 16th October at 4.00pm**. Everyone in the BENEFICE is invited. There will be 'drinks and nibbles' after the service in Long Sutton Village Hall. If you would like to attend, please contact Colin Cohen (colin.cohen@btinternet.com or 01256 862214) so that we have a rough idea of numbers. All are welcome and we would love to fill the church.

Online services

Most services from All Saints, Odiham, are live-streamed (and then available online afterwards) – see www.moretolife.church for details.

KidsZone

Hi everyone!

What do you get if you mix together

- 4 fun packed days
- 80 happy children
- only 2 wasps stings
- 19 exhausted adults
- 12 young helpers
- 700L of water and squash!!!

That's right! You get Holiday Club 2022. This year 'Wonder Zone' was all about science and how God was the ultimate scientist. We're all pretty exhausted and busy clearing up, so I thought I'd just show you a tiny glimpse of the fun we had!

God Bless and see you next time!

NEWS FROM THE VILLAGES

Farming News

Hot, hot, hot - every radio station is telling me as I'm sat in the air-conditioned cab of our JCB loading the last of our straw bales after we've harvested the wheat. In the sweltering year of 1976, we hauled 30,000 small bales by hand, now we hardly break a sweat. It's the 9th of August and our arable harvest and straw baling is finished. That's a whole month earlier than last year. In very difficult, wet years we've still been baling straw well into October. The good news is that our winter wheat has yielded very well and, because of the hot weather, no drying costs. Given where fuel prices are this year that's a real bonus. Baling the straw afterwards for winter feed and bedding has been a very stress-free affair. It's been so dry that we haven't had to work late nights since we've known the weather is going to hold for weeks to come. Every year will not be like this of course so we've tried to make the most of it and enjoy the moment!

The flip side of this is that we are desperately short of grazing grass for our youngstock. The fields are brown. We made some nice hay in July that we were planning to feed this winter, but we are supplementing the youngstock feed by giving them the hay in round feeders in the fields now. I know of many farmers who are having to feed their winter rations now because there is no grass. That will have serious consequences for feed shortages this winter.

I saw on BBC weather the other day that, of all the weather recording stations in the South of England, Odiham recorded the lowest rainfall for the past month of precisely 0mm. Fortunately we have made two good cuts of grass silage to last us through to next year, but the maize crops are looking very thirsty. I've already downgraded the yields from what we were anticipating which has a knock-on effect for our feed stocks going into 2023/2024. I've changed our winter cropping plans for this Autumn by dropping 30 acres of wheat we would plant this October and replacing it with Maize that we'll plant next spring. These 30 acres of extra maize at a yield of about 15 tonnes/acre should give us the extra 450 tonnes of feed we need to cover this year's shortfall.

All the milking cows stay in the barns and are much the happier for it. They have shade, a good breeze, cool sand beds to lay on and plenty of feed and water to hand. I've mentioned before that cows struggle at temperatures over 20 degrees so keeping them cool and as stress free as possible is paramount for their health. They've coped remarkably well

with the heat, probably better than we have! The dairy office fridge has been kept stocked with ice cream and cold drinks and a fan has been set up. If summers like this are going to be the norm, then we'll look at fans for the cow yards and I've heard of a zoo that's feeding ice cream to its animals so maybe that too?

Our milk production has stayed very constant which is good but nationally and worldwide it is down due to a combination of extreme weather and financial pressures. Our costs, like everyone's, are rising sharply and it's nigh on impossible to budget. Trying to stay one step ahead and make ourselves as resilient to outside influences as possible by forward planning and using our home-grown feed and fertiliser will be key.

On a sad note, our oldest cow, Shrek Lady 6, passed away last month. She had stopped producing milk, so we pensioned her off into a paddock for her final Summer. We don't generally do this, but she was exceptional, and we thought it fitting. She went downhill quite quickly in the end, and I think she'd just decided to call it a day. A few evenings before she passed away, I went out and gave her a head scratch and she was the most affectionate I'd ever seen her. It was a lovely moment. We have one of her granddaughters calving in for the first time soon so we're all looking forward to that and the family line continuing. **Joe Ives**

St Mary's Upton Grey Choir is re-starting

Come and join us at the Upton Grey Church Choir.

We're excited to announce that St Mary's choir is re-starting in September. The choir rehearses once a month and sings on the third Sunday of the month. We'd love to welcome members old and new, young and not so young!

No choral experience is necessary. If you love singing and would like to join the choir then please be in touch and we'll send you rehearsal details.

Coffee, Tea and Cake Morning, 8th September

The Ladies of Herriard are holding a Coffee, Tea and Cake morning on the 8th September at the British Legion Hall, open 10 am to 12 noon.

This social event will be EVERY Thursday so please come and join us and bring a friend.

The coffee and cake will be £1, and all cakes will be home- made, provided by a group of kind volunteers.

All the money raised will be going into the hall funds to help upgrade this facility so it can then be used for several other community functions for years to come. Please come along and enjoy the morning break.

The Great Big Green Week (24 Sep-2 Oct)

The Great Big Green Week is the UK's biggest celebration of Community Action to tackle climate change and protect nature. Everyone is invited to find out how to reduce your carbon footprint, live a greener lifestyle and help the planet. Come along with the family and invite your friends for an informative and fun time to our... ECO FAIR. Admission is free and it takes place on Sat 1st October 2022 at 10am-4pm, Herriard Green Pavilion, RG25 2PD.

Talks in the Pavilion will include Climate Change Action, Home Energy, One Planet Living, Skep bee keeping, Wildlife friendly gardening plus local artisan stalls, eco-friendly gifts, Alton Climate Action Network, EV, energy, Fill Up, children's tent, local produce and more... To book a stall contact Gill and Simon chair@herriard-pc.gov.uk

The Eco Fair will also be the official launch of the Herriard EcoHub, your one stop webpage for both National and Local links helping you to be environmentally friendly. Both the EcoHub and the Fair are funded by a National Lottery Community Fund grant. The site is aimed at providing a single place for villagers to access advice, support and practical tips to help reduce carbon footprint, save energy and save money, all helping to combat climate change and benefit the planet. The page includes resources to allow you to improve your home energy efficiency, provides advice on obtaining government grants and shows you where to recycle different waste types, amongst other things.

We are also very pleased to announce that we are in the process of teaming up with Fill Up Alton to offer package free delivery of their various food and household products direct to Herriard. Details of this scheme will also be on the EcoHub.

The Page will be directly accessible from the Herriard Parish Council website at Herriard-pc.gov.uk and will be regularly updated as new information and links become available, so please keep checking back as things develop.

HERRIARD & WINSLADE 2022 HARVEST CELEBRATIONS

Our **Harvest Festival Service** this year is on Sunday 16th October at 10.00 am at St Mary's Herriard. Everyone is very welcome to join us and the Church always looks stunning with all the seasonal produce and flowers.

The Harvest Supper and Auction follows on Wednesday 19th October at 7 for 7.30pm. You do need to book your places beforehand. Please contact Gemma on 01256 381354 before Friday 7th October. Auction prizes and offers of help with cooking are very welcome!

WESTON PATRICK AND WESTON CORBETT NEWS

Concert and Fundraising

Weston Patrick held a wonderful concert on the last day of July with Quintessential Brass entertaining a full church. The music travelled from the renaissance to the present day with a mixture of emotional, soothing, and raucous entertainment. The five-piece brass group were talented and generous providing a great evening of music and information whilst helping to make money for our spire, damaged in the storm in February. Thank you to all who attended and helped to make it the success it was.

We have a fund to repair our bell turret whilst scaffolding is up and are so grateful to all who have donated and helped with our efforts and for anybody kindly able to make any further donation to help us repair the spire and turret, we have a Go Fund Me page:

OTHER NEWS AND EVENTS

Informal Art Group

We are an informal, friendly group who meet at Long Sutton Village Hall on Tuesdays from 2-4.30 pm for a relaxing afternoon of painting / drawing. We work on our own projects but have occasional visiting tutors for demos and/or tutorials to hone our skills and keep us on our toes. Plus of course we take the opportunity to go outdoors when the weather beckons.

Our next term starts on 13th September. If you think you would like to participate do join us for a free taster session. If you then wish to join, the cost for the full 12 week term will be £60. For a chat or more information please call 07502 749 848.

Luminosa Voices – Open Rehearsal

Luminosa Voices are running an open rehearsal in the Alton Maltings on Tuesday 13th September from 7.45–9.30pm. This is a great opportunity for someone who might not have sung with a choir before but wants to give it a try. It will be a fun evening with a warm and welcoming choir.

We will be rehearsing the Brahms *Requiem*. Music will be provided at no cost. Refreshments are available for the evening.

If you are interested in attending, or if you would like more information, please contact enquiries@luminosamusic.com, or you can visit our website www.luminosamusic.com. We look forward to welcoming you.

National Garden Scheme – Hampshire

George Plumtre - the CEO of the National Garden Scheme - the guy who holds it all together - was presented with the RHS Carew Pole Award in recognition of his exceptional contribution to the world of horticulture.

The Carew Pole award ranks in seniority of RHS awards alongside that of the Victoria Medal of Honour (its most senior ‘horticulturist’ award) and is named after President Emeritus, Sir Richard Carew Pole, and is presented by Council, from time to time, to those who have made an exceptional contribution to horticulture as non-horticulturists. This is a great honour, and we are all really pleased for him.

We are now entering our final month of Open Gardens for the NGS. A mere stone's throw from Upton Grey we have a garden open in Long Sutton – Bumpers, Sutton Common, Long Sutton, RG29 1SJ. Opening Sunday 4th September, 2pm to 6pm. Admission £5.00, children free. Refreshments available. Large country garden with beautiful views spread over two acres with mixed herbaceous and shrub borders and laid out in a series of individual areas. Some interesting sculptures and water features with informal paths through the grounds and several places to sit and enjoy the views.

Now all the behind the scenes begins, with the collating and preparation for the 2023 Yellow Book.

I hope that you have been able to visit some of our gardens in 2022 and helped raise much needed funds for our Nursing, Caring and Health Charities. **Pat Beagley, National Garden Scheme, Hampshire**

North Warnborough & District Garden Club

After the summer break, our September Meeting will be held in the North Warnborough Village Hall on Thursday 22nd September at 2:30pm. Our speaker will be Pamela Holt, who has a Diploma of Horticulture earned at Kew. She will speak to us about The Royal Botanic Gardens, Kew.

Our Competitions will be:

- A Collection of mixed colour foliage and grasses in any container.
- 3 Stems of Fuchsia.

Visitors are very welcome to join us. For further information about our Club, please visit our website at <https://www.nwdgc.org.uk>

Dragonflies on Display – Hampshire & Isle of Wight Wildlife Trust

Darter, skimmer, chaser and hawker. What may sound like a new quartet in Santa's gang of flying reindeer are in fact the names of some of the UK's resident dragonfly species.

This special group of invertebrates are part of the Odonata order of flying insects, which is made up of dragonfly and damselfly species. Here's a closer look at these winged wonders.

Amazingly, dragonflies were some of the first flying insects to evolve over 300 million years ago, soaring the skies with eagle-sized wingspans before even dinosaurs.

With a pair of large eyes providing fantastic vision and a top speed of around 30mph – which makes dragonflies one of the fastest flying insects in the UK – they are fearsome predators.

The banded demoiselle is a particularly striking damselfly © Chris Button

There are 17 species of damselfly and 23 species of dragonfly resident in the UK, plus the occasional visiting species from continental Europe.

Found in almost every habitat, including wetlands, moorland and woodland glades, these predatory insects bring a splash of colour to a landscape just as wildflowers and butterflies are winding down.

To tell dragonflies and damselflies apart, there is a general rule of thumb that damselflies are slimmer and rest with their wings folded, while the stockier dragonfly keeps its wings spread outwards.

Damselflies can be spotted on the wing as early as the start of May, while the last common darter of the year might still be flying on a warm October day. The highest species diversity is found during July and August, and, like most insects, dragonflies are most active in warm, sunny weather.

Five species to spot include the emperor dragonfly, the southern hawker, the banded demoiselle, the golden ringed and the common darter.

In our region, Pamber Forest Nature Reserve is a brilliant place to find dragonflies near the woodland streams and ponds during the breeding season, and hunting for prey along the woodland rides. Over 20 species have been recorded here, including the club-tailed dragonfly, which was a first for Hampshire, and the white-legged damselfly. It's also a great site for seeing the beautiful demoiselle damselfly and the golden ringed dragonfly. Swanwick Lakes and Testwood Lakes nature reserves near Southampton are also prime dragonfly hotspots.

New term! New u3a Year!

Although August is our ‘down time’ and most activity groups take a break, this didn’t mean we came to a complete standstill! Mid-August saw a visit to Little Court Gardens, Winchester by the Gardening Appreciation group and on August 17th we held our very successful Open Morning at Robert May’s School.

This was an opportunity for existing members to come together, enjoy light refreshments and catch up with the latest news from existing and new groups. We were also joined by potential new members who came along to find out how our 50 or so activity groups can help keep both their mind and body active while learning, laughing and living to the full!

In September we re-commence our popular Monthly Meetings, which are free and open to all members. We stage these in the Cross Barn for those who wish to enjoy a live presentation as well as an opportunity to see friends and have a cup of something and a biscuit. However, we also offer less-mobile members the chance to join the audience via Zoom.

We begin this year with presentations on:

- **Henry VIII**; by a professional comedian who role-played him daily for several years in Hampton Court.
- **A wander around St James**; a London Blue Badge Tourist Guide describes the life and times of the area since the 17th century.
- **Literary Paris**; the City of Light’s literary successes, failures and scandals.
- Finishing the term with a local favourite, **The Greywell Handbell Ringers** to get us in the festive mood!

We also like to get out and about! There are several visits planned to local museums, exhibitions and sites of interest. Our theatre trips are very popular with nine visits planned before Christmas!

If you would like to know more and maybe join us, please go to our website <https://u3asites.org.uk/odiham/home>
