6. Chair report - Cllr Wills. - attached as appendix 4
Thanks were expressed to Andy Casey for all his past work on the Village Green and Play Equipment and to Lee Ratcliff for agreeing to take over Andy's responsibilities in this area.

7. Property and Projects report - Cllr Jervoise.

Langlies Mead – The Parish Council had agreed to the change to make one less house affordable, so 4 will be for sale which is necessary to allow the scheme to continue to progress. As a first step design changes have been agreed verbally by the Planning office which is very encouraging and we are now awaiting a formal response as the Housing department within the council have made comments. The PC believes these can be addressed and are pushing for a decision to allow us to take the next steps of an updated full costs and viability assessment. St Marys Church – Unfortunately the new engineer was concerned with the plans so a slight delay while this is rectified, but all is going ahead as planned. £90k has already been pledged and looking at Grants will start soon.

RBL Hall – It was encouraging to see many villagers come together and form a refurbishment committee with a very short deadline to refresh the bar areas of the Village Hall. With Simon taking the lead and producing a timeline of activities and chasing for items to be completed, it was with a great team effort that the refurbishment was completed on time for the Harvest Supper. Thanks to everyone that sponsored the sofas and stools and for everyone's hard work. Thank you also to Pat and her team for the Thursday coffee mornings.

The RBL and Herriard ex services club are now looking at merging, but this will take some time and more information will follow.

Once again thanks to everyone that helped with the refurbishment.

## 10. Climate Change Group update - Cllr Wills/Hill

A big thank you to everyone that attended and helped on the day of the Eco Fair, it was great to see Cllrs from Basingstoke attend and there was a steady flow of people all day.

An event of this nature needs a lot of organisation and work to make it happen and so if anyone would like to volunteer to help set up/run the Eco Fair in 2023 please get in touch with Cllr Hill or Wills. It may be that there could be an Eco Fair part to the Fete next year and this will be discussed. Thanks again to everyone who was involved and helped make the day the success it was.

A discussion was had about the change of use application for the Fur and Feathers public house. A number of villagers made comments, including Peter Whitehead from the public house itself, who outlined the issues facing the business. The meeting recognised that the current situation is very difficult for the Whiteheads. A number of people expressed the wish to retain a public house within the village. In answer to a specific request, it was confirmed that unfortunately the Parish Council are unable to financially support a commercial business. The Parish Council noted they have opposed the change of use application. Attendees were reminded that they can still have their say on the planning application up to the point of decision, a link is available on the PC website.

#### County Deal update

Negotiations are poised to take place with central Government on plans for a Pan-Hampshire County Deal, with the aim of investing in Hampshire's economy and improving the lives of all residents and communities across the area - by bringing decisions and powers closer to people and places in the region.

Devolution proposals are now ready for formal negotiations with central Government, to secure the best possible deal for residents, businesses and communities across the whole Pan-Hampshire area, (covering Hampshire County Council, Southampton and Portsmouth City Councils, the 11 district and borough councils within the County Council administrative area, Isle of Wight Council and Bournemouth, Christchurch and Poole Council).

The combined prospectus can be viewed at

https://democracy.hants.gov.uk/documents/s100275/Pan-Hampshire%20Deal%20Prospectus%202022.pdf

## Support for warm winter hubs

Communities across Hampshire are being invited to apply to Hampshire County Council for support from the Leader's Community Grants Scheme in order to create a network of warm hubs this winter.

Voluntary and community organisations, including parish and town councils, can apply for a grant of up to £5,000 to develop and host warm hubs where people can gather together. This might be in the form of a regular coffee morning or the provision of a shared activity; creative ideas and concepts that will deliver support especially to our most vulnerable residents are particularly welcome. Information can be found at

 $\underline{https://www.hants.gov.uk/community/grants/grants-list/leaders-community-grants.}$ 

Additional funding is also available to community groups from the Adult Services' Local Solutions Grant fund to support local people maintain their independence. This includes assistance to organisations offering finance and money management support to those unable to easily access existing services, as well as for groups undertaking projects to help vulnerable people by reducing social isolation and loneliness. Details can be found at

https://www.hants.gov.uk/community/grants/grants-list/leaders-community-grants.

## 1. National Census

Data about the population in your local area can now be viewed readily on census maps published by the Office for National Statistics, search for details at

https://www.ons.gov.uk/census/maps.

## 2. Roads

Hampshire Highways' commitment to reduce carbon emissions and mitigate against the impact of climate change achieved national industry recognition last month. Its Carbon Strategy, which aligns with the County Council's ambition to be carbon neutral by 2050, won the Environmental Sustainability Award as well as the Special Merit Award in this year's Highways Industry Awards. The Special Merit Award is a particular achievement in that it is selected by its peers in the industry.

Last month 7,456 square metres of carriageway were resurfaced across the county,

with 20,737 gullies and other drainage cleared, 6,535 potholes and other defects repaired and 5,489 square metres of footway repaired or resurfaced. It is now prepared for the wetter and colder months ahead, with crews on standby 24/7, ready to salt the roads in snow and icy conditions, as well as deal with the impacts of high winds, heavy rain and flooding, such as those recently seen.

#### 3. Police & Crime Commissioner

Donna Jones, Hampshire's Police and Crime Commissioner has launched her annual precept consultation on council tax contributions to policing. The survey is online and will run from 31 Oct to 4 Dec. This survey is to gather views on whether she should increase the level of council tax in support of policing, continuing investment in Hampshire and Isle of Wight Constabulary. The survey can be found at

https://www.hampshire-pcc.gov.uk/get-involved/consultations/precept-consultation

The Commissioner has also published her annual report for 2021/22, providing an overview of the Commissioner's activities and key successes from when she took post in May 2021. It covers the recruitment of nearly 600 new police officers, extra funding for the region to tackle anti-social behaviour (ASB), domestic abuse and bespoke support for victims of sexual violence. It can be seen at

- 4. We are currently playing indoor at Dummer Cricket School.
- 5. Net practice will start in doors at the end of January 2023.
- 6. Cricket membership was up again on last season with Tennis membership remaining about the same.

#### Appendix 4

Herriard Parish Council - Chair Report - November 2022.

#### Eco Fair & EcoHub.

As you hopefully know we set up an environmental group in late 2021 and following discussions and a number of ideas we obtained lottery funding for two of them at the start of 2022. These were to develop an internet based EcoHub and to hold an Eco Fair. Both are now complete.

The EcoHub is now a permanent part of the Parish council website and includes links, both national and local to topics such as energy efficiency advice, local and national authority grants and how to apply (including such schemes as the LEAP that provides advice and financial support for energy efficiency home improvements, including free appliances for certain low income households who meet their criteria), it also has details on what to do with food waste, specialist materials recycling schemes and other such initiatives. So a one stop shop for both energy and money saving ideas, which we will continue to develop over time.

The EcoHub also hosts an ordering and delivery service from Fill Up Alton, a zero packaging shop selling cleaning goods (household and personal), dry foodstuffs (pasta, rice, nuts) and snacks, etc. You can order online or on paper, leave your empty bags and containers at the Village Hall on Tuesday morning and have your goods delivered back on Thursday morning when the coffee morning is also on.

The Eco fair was a great success and many thanks to Gill Hill, Julie Littler, Pat Pegg, the Herriard Estate and all the other volunteers and the Sports club for the use of the Pavilion. Held on 1st October, we had a good variety of product and information stalls from local honey to EVs, a few good food stalls and some really great talks on topics ranging from energy efficiency to beekeeping and wildlife gardening. There was steady stream of visitors throughout the day and some really positive feedback from both exhibitors/stallholders and visitors. Many people talked about holding it again in 2023 but it is a lot of work to organise so we will be looking for volunteers to organise it if anyone is interested.

#### General maintenance.

The lengthsmen conducted their visit on 25th October, covering,

- Clearing the A339 footpath form Old School Cottage to Parsonage Cottages.
- Weed killing the full footpath from Bagmore lane to Parsonage Cottages.
- Clearing the gate from the Green to Hockleys lane.

Regarding the play area on the green, as many of you know Andy Casey has moved from the village recently and was responsible for revieing the B&D BC play equipment weekly inspection reports and carrying out any necessary small repairs or escalating to Bob. I am really pleased to note that Bob has arranged for Lee Ratcliffe, who has quite a long connection with the village and lives on Bagmore Lane, to take over this responsibility. Thanks to Andy for his work and to Lee for picking this up.

Regarding the Play equipment itself, Gill talked last year about pulling together a group to review replacement/larger repairs and look at new matting or play surfaces. I would like to take this forward in 2023 and so any volunteers would be gratefully accepted.

Regarding the clearance of the pond on Back Lane, I am sure Bob will cover this in his update.

To see the appendices, please visit www.herriard-pc.gov.uk/parish-council/documents/

## Village Hall

At the last meeting we noted that the Ex-Services Club committee along with a few other villagers had just started on the refurbishment of the bar area of the RBL/Village Hall. I am pleased to say this is now complete, the main work was done on time for the Harvest Supper and a shutter was installed just this weekend on the bar so the room can now be used, without the bar, for other functions as well as the hall. The Ex-Services Club committee asked the Parish Council for financial assistance and I am pleased to say that we were able to provide this from our community Infrastructure Levy funds, that we are given when large developments are carried out in the Parish, and that we hold for just this type of use. I am sure that John will cover the RBL/hall refurb in more detail in his update.

## Affordable Housing

I wanted to note that the affordable housing scheme is still progressing and we have applied to alter the planning permission slightly to allow this to happen. Once again, I am sure John will cover this shortly.

## Fur & Feathers Change of Use

Finally, I am sure you are all aware that the Fur and Feathers Public House has applied for change of use from a public house to a residential dwelling. I don't intend to discuss this further here as I will cover it in the planning update and we are keen to solicit your views in the open forum.
