

Risk Register

Adopted by Herriard Parish Council and the latest version approved on 27th February 2023.

Purpose

The purpose of this Risk register is to identify and document risks that may arise to people and assets from activities carried out by or assets held or the responsibility of, Herriard Parish Council (HPC). It also documents any associated mitigations, in so far as they are reasonably practicable to implement.

Policy Statement

It is the policy of this Council to ensure that risk assessments of practices associated with the use and maintenance of the Council's assets and responsibilities are performed regularly. The council has determined that a review of all risks shall be undertaken on an annual basis.

Scope

Owned assets and assets that HPC has formal responsibility for maintaining.

Activities conducted by councillors and staff of HPC and activities undertaken by volunteers for HPC

HPC shall not undertake risk assessments of activities undertaken by contractors whilst engaged with remunerated work or activities related to HPC. In this case HPC shall expect the contractor to undertake a risk assessment themselves of substantively the same form, or as required by legislation or statute relating to the activity they are undertaking.
