BENEFICE MAGAZINE – May 2023
Edition for the Parishes of Herriard with Winslade, Tunworth,
Upton Grey and Weston Patrick

From the Benefice Ministry Team

As I'm writing this, it certainly feels like Spring has sprung. Birds are chirping outside, sunshine is pouring through my window and there is a warmth that was not there a week or two ago. It really is great, and it gives life a more positive and optimistic feel. I'm noticing many more smiling people and a generally increased joy about the place.

In the light, in the warmth, there is hope. There is optimism. There is a noticeable increase in green around us, and the multi-coloured blanket of flowers is slowly beginning to emerge. The cold, stark winter landscape is transforming and I'm aware, as you read this in the May edition, we will be even further through this progression. This leads me to think about light.

In some ways, in the winter when things are so dark, we're much more acutely aware of the light. When it shines into the darkness, we notice it and immediately sense its impact. However, when we have more daylight and the sun consistently shines, we begin to take it for granted. We begin to just accept that it will be there shining each day (despite this being far from a certainty in England!). And this has made me wonder about how much in life we take for granted, how many good and lovely things we don't always appreciate.

With a cost of living crisis, and the war in Ukraine as the two most obvious examples, I think we are seeing in many ways the undermining of those things we take for granted; in this case, readily accessible food and heating, and the expectation of security and stability. It can feel deeply unnerving and unsettling, and if we're not careful we can obsess over these things.

It's at these times when I feel the need to remind myself, and others, of the one thing in life more constant, consistent and stable than the rising of the springtime sun. Jesus is above all things, over all things, in all things. While we may not always feel him there, or appreciate his presence, or maybe even acknowledge his existence, he is always there.

"Jesus Christ is the same yesterday and today and forever" Hebrews 13.8

Writing this as we are about to walk through Holy Week, remembering again the journey Jesus took to the cross, the grave and into resurrection after, for us, fills me with confidence. The one who entered in to be like us, to die and rise again to ensure that death is not the end, to give us a hope for the future. The one who did all that for us is constant, even in the uncertainty of the world around us. He is sure and constant. I pray you know his blessing this springtime, as the flowers bloom and the leaves return, and into the rest of the year ahead.

NEWS FROM THE VILLAGES

May Farming News

One would think after so many years in agriculture that us farmers would stop moaning about the weather.....no chance I'm afraid! After an incredibly dry February we then had a torrentially wet March. The wettest March for over 40 years with the lowest recorded hours of sunshine ever in Hampshire the Met Office reported. It's been very difficult to manage our spring field work. In February Dad measured 0.27in of rain and in March he measured 6.4in on his rain gauge. Quite a difference! The very wet March meant we couldn't travel on the fields with machinery because we would damage the ground and the crops. We also couldn't put our youngstock or cows out to grass because they would have irreparably poached (damage) the pastures.

Early spring is the time for emptying our slurry lagoon onto our grass fields, giving the muck time to wash in and utilise the nitrogen and goodies in the slurry so as not to contaminate the flavour of the grass with mucky residue. We managed a first application in February but a second application we usually apply in March didn't happen because our pastures were waterlogged.

We also didn't get to roll our grassland with the heavy roller that pushes in the stones and mole hills because of the wet weather. When the ground finally dried enough in early April the grass was too long to roll and would have been damaged, so for the first time I can remember we haven't rolled our grass.

When mowing for silage in May we'll have to set our cutting height higher so we don't get earth or stone contamination because we couldn't roll. Stone or dirt contamination will have several consequences; first we'll make poor quality silage and secondly, our agricultural contractor who cuts and forage harvests our silage will not be happy if our Hampshire Diamonds (flints) go up through his very expensive machinery.

Some cheerful news in a moment but while I'm having a little moan, I'll have one last one about our milk price. As we are all aware costs of pretty much everything rose sharply last year. This year some, but by no means all, of our input costs are thankfully dropping but so is the price we get for our milk. Our milk price changes every month, and we don't know what price we'll be getting for the following month until the day before. So, for example, our April milk price was announced to us by our milk buyer, ARLA, on the 31st March. This makes budgeting a real headache to say the least. ARLA announced that our April milk price was dropping

by a whopping 5.3 pence/litre. This is the biggest single month price drop I can ever recall. This comes off the back of a drop of 3.52 ppl for March and 2.65 ppl for February.

So, a milk price reduction of around 11 pence/litre this year so far which will now put the milk price we receive at around 38 ppl. This does not cover our cost of production. I would like to think that will be fully reflected in the milk price you see on the supermarket shelves, but I have my doubts.

Some cheerful news to finish on; storm Noa has passed, it's 6am on a bright sunny morning, the dawn chorus is in full swing, the daffodils have been stunning, the Herriard Easter egg hunt after the Easter Sunday service was sunny so no drenched children, and Ben Rich on BBC 'weather for the week ahead' tells me it's going to be a sunny 20 degrees next week. So, we'll finally get some cows out to grass, spread the muck and plant our maize in good warm seed beds hopefully.

Finally, our dairy consultant tells me that there is going to be a milk shortage this coming winter as a result of the poor price farmers are receiving now. So, our milk price will possibly rise. Always look on the bright side!

Upton Grey Horticultural Society Shows 2023

We were saddened to have to cancel our SPRING SHOW on 15 April in Upton Grey Village Hall due to lack of entries. As a lot of work goes on in the background to get a show up and running and then bringing it all together, and with so few entries, we had no option other than to cancel it.... **for this year!** We will be back again next Spring. We will let you know when we have the date - so watch this space.

Our **Summer Show** which we hold in the Marquee in Church Meadow will soon be upon us – **Saturday 12 August**. We hope that you and your families will be able to support it. It is such a lovely community event. We'll put more information in this magazine, the village news, community Facebook, and WhatsApp groups and you'll receive schedules of classes available to enter etc in July. We look forward to receiving your entries and seeing you, and them, on the day.

If you would like to help us organise our Shows (especially the Summer Show coming up in August) either prior to the event or on the day, then do please contact us - we welcome any offers of help - thank you. We are not a committee, just a few enthusiastic people!

The Upton Grey village fete in aid of St Mary's Church is coming soon. Please save the date for this annual long-standing village event which is both a fundraiser for the church and fun entertainment for all ages. See above ad for details.

We are very grateful to Nick and Rosie Ralls who have kindly agreed for us to use their beautiful spacious gardens at Sherborne Cottage.

Last year 500 people turned up which is fantastic but did mean the Tea and Pimms teams were really stretched. If you would like to lend a hand for an hour or two, please contact Frances Yeowart, mobile 07774 163217 or email francesyeowart@outlook.com, who can direct you to the right person. It's amazing how helping out can be really fun! Thank you.

If you have any **good quality** unwanted items, then please do bring them along to the **White Elephant** stall at the fete where we will be delighted to sell them. We are very grateful for donations, but please, nothing broken or chipped as it is just does not sell and then has to be disposed of.

Educational Grants available to ALL Upton Grey Residents

The Upton Grey Educational Trust was formed when the Upton Grey School was sold after its closure in the 1980s and half of the proceeds were put into the Trust. The Trust can use the income from the investment twice yearly “for the advancement of education”.

The Trust meets in June and December each year to consider applications for assistance with educational needs, **from any age group and with no means testing**. Since the Trust was set up, it has awarded grants to over 100 applicants and 16 groups in addition to Long Sutton School. For more information on how to apply and terms and conditions, please visit www.uptongreychurch.co.uk (under Groups & Organisations) or email debbie@debbie-bridle.com.

This is primarily open to residents of Upton Grey, but consideration **may** also be given to applicants from other parishes within the Benefice – funds permitting. Applications must be made by the person requiring assistance and **not** by a parent /guardian or other.

We are very lucky to have this fund and very grateful to the late Ros Mills for establishing it.

Please submit your application in writing **by the last week in May 2023** to be in with a chance for the application to be put forward at the June meeting. Please address your application to :

*The Secretary to the Trustees, UPTON GREY EDUCATIONAL TRUST
Clock Cottage, Cleves Lane, Upton Grey, Basingstoke RG25 2RG*

or via email to: debbie@debbie-bridle.com (requesting a read receipt) – please ensure child written application is attached to the email sent by parent or guardian. (**Note** that any late applications received after the deadline will automatically be carried over to the next meeting).

Pipe UP for St Mary’s Church Organ Appeal

We are delighted to say that we have received over 45 donations to the *Pipe UP for St Mary’s* SPONSOR A PIPE APPEAL meaning we are well on our way to our final goal. The beautiful pipe organ will be dedicated to the late Queen as a lasting and visible tribute to her long reign. If all goes to plan, the organ will have been installed in April with the **opening concert on the early evening of Sunday 9th July**.

Thank you for your support! **Please ask Frances Yeowart (francesyeowart@outlook.com or 07774 163217) for a donation form.**

Deconstruction of the Redundant Organ (circa 1902)

St Mary's Church, Upton Grey

Subsequent to an invitation to view and select wood that might be available from the redundant church organ, an offer was made by members of the SFWW (Southern Fellowship of Woodworkers) to dispose of the various remaining components in an environmentally sustainable way.

The pipes had already been sold to a church in Germany and the better wood, from the casing, given to Rory Vereker for making into shelves for the vestry in St Mary's and to Richard Anscombe, for making into turned artefacts. These have subsequently been sold in aid of the Organ Fund. Five trips were made, transporting everything to my garden in Tunworth Down, including some very large and heavy pieces, these included the 1m x 1.3m bellows and many wooden pipes, some of them 2.5m long.

The first priority was to dismantle the various items into a size where they could be carried into the workshop for further intricate dismantling. Ensuring that any wood was removed out of the elements, as it is about 120 years old and very dry. There are plans to make some heritage items out of the wood, including bird nest boxes. These should be available at the St Mary's Church Summer fete to be held at Sherborne Cottage on the 10th June 2023.

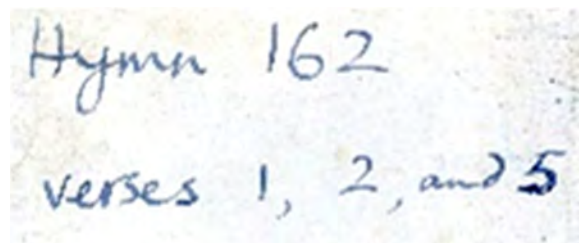

Some statistics around this project: 1kg brass, 3kg of screws and fastenings, 7kg of lead, 15kg of copper cable were found.

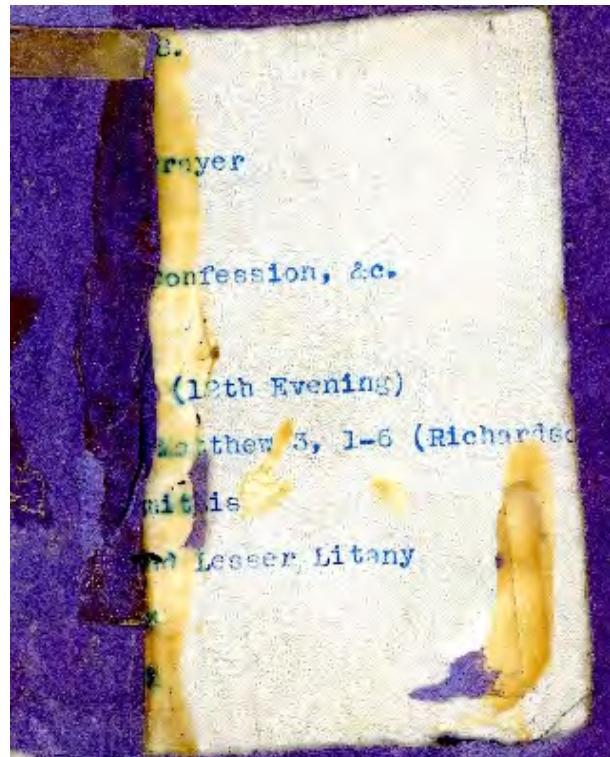

There was also a blast from the past, as a small sheet of paper was found, attached to the surface of one of the sound boards, shown here:

The first page shows Hymn 162 with verses 1, 2 & 5, my Common Prayer book for the 1900's gives the following: Have mercy on us, God most High.

On the back appears to be an Evening service for Advent with verses from St Matthew and the Nunc Dimittis! The original will be available for perusal.

The text above is brought to you by the SFWW, a woodworking fellowship who meet on every fourth Thursday evening of the month, in the winter, spring and autumn, in the stunning medieval Cross Barn, Odiham in the North Hampshire Downs Benefice. Information is available from the SFWW secretary Tim McGinn (secretary@sffww.org.uk). **Arn Huddy**

Please could we ask all Dog Walkers ...

Having experienced a few 'dog ambushes' in recent months, as I know have a few others in the village, it would make the dog walking experience much more enjoyable if everyone could kindly put them on the lead when approaching others - unless they obviously know that each other is friendly - so that everyone can feel safe. Many thanks, Rachel.

OTHER NEWS AND EVENTS

News from Long Sutton C of E Primary School

One of our priorities this academic year has been to re-engage with the local community in a more 'face to face' way, following the limitations brought about by Covid. A particular highlight was providing a group of singers and dancers for the Long Sutton Village pantomime. Our Junior Choir are earning a reputation for high quality singing, which brings so much joy to the children as performers, as well as the audience. We love 'touring' the local community so if you have an event which we might be able to perform at, do let us know and we will do our best to make an appearance!

With 'community engagement' in mind, we are planning a Community **Open Day** at the school on **Thursday 6th July** (1.15-2.45pm). We invite anyone from the local community, either from within our 3 catchment villages or the wider area, to enjoy a tour of our school and find out a bit more about our school community, vision, values and curriculum. The event will include a Fair-Trade café, hosted by our Year 6 children. Nearer the time, we will be asking for RSVPs, so we know how many cakes to bake! Do look out for flyers and posters later in the term.

Local Art News, Open Studio to Visit!

I'm organising an open studio exhibition in June. I live in Tunworth and am putting on the show in **Odiham** at the former Lloyds Bank, 61 Odiham High Street. My paintings will be there, alongside three friends' work. I'd love to invite all my neighbours in the parish. I'll be painting but also making tea and showing everyone around. Sadly, there's no wheelchair access due to steps up to the door. The opening times for the studio will be: **Tuesday June 6th (11-5.00), Thursday June 8th (11-8.00); weekend June 10th/11th; June 13th/15th/18th (11-5.00)**. Hope to see you there!

Looking back and looking forward

So, what keeps a group of over forty men in one room, quiet and facing the same way for two hours and doesn't involve alcohol?

The answer ... someone talking about building a replica Spitfire at 80% of original size! Steve Markham's amazing story covered 16 years and 5 months from buying a kit of parts to securing the approval from the appropriate authorities to actually fly the aircraft. The aircraft is known as the Odiham Spitfire, not just because it was built by Steve in the village, but because it is a replica of one of the photo reconnaissance aircraft that were based in Odiham in 1944.

Our military history theme continued with our Family and Social History group. They listened to a member's presentation on the derring-do of HMS Valiant in WW2, a ship on which Prince Philip served for a while. The story of *Valiant* being seriously damaged by limpet mines placed by Italian frogmen riding two-man "human torpedoes" was made very personal when the group learnt that the captain had been the presenter's grandfather and had been played by John Mills in the film made of the incident!

On the other hand, looking forward, some members of our Moto Group are planning for their trip to Isla Cristina in Southern Spain in September. Too early to buy the sun cream - but never too early to start the conversations of how to get to Gatwick!

We will be showcasing all our groups at our Annual **Open Day, on the afternoon of Thursday 10th August**. More details to follow, but due to building works at our usual venue, Robert Mays School, we will be in **Elizabeth Hall, Hook**. Save the date!

Please contact us to arrange either individual help or to request someone to come and talk to your group.

National Garden Scheme – Hampshire

As we say goodbye to the Snowdrop gardens, and a very successful ‘Snowdrop Festival’, we now prepare for the newly emerging Spring flowers in our gardens, and the plethora of gardens to choose from to visit in Hampshire, during the coming months.

Nationwide, the National Garden Scheme has over 3,500 gardens opening their garden gates to the public. Here in Hampshire we have 89 gardens listed, with around 20 others who are part of the Village Group Openings - the likes of Amport & Monxton, Crawley, Froyle, Headley (NEW), Romsey and Stockbridge. These gardens are great value for money, with one payment covering several gardens. We are really pleased to welcome Headley Gardens (GU35 8PW) for 2023, and hope they have a very successful year. Every visit by the public to one of our gardens equates to more funds raised for our very deserving beneficiaries - the likes of Marie Curie, Macmillan Cancer Support and Parkinson’s UK, plus several others.

New for 2023

Coles: Basing Dean, Privett, Alton, GU34 3PH. Opening Sunday 14th May 10.30-7.30. Admission £10.00, children free, Card Payments available. Various Light refreshments. As we move away from a new Village Garden opening, we move towards a garden which has been opening for the NGS for many years: **Tylney Hall, Ridge Lane, Rotherwick, RG27 9AZ** has been opening its gates for more than 30 years. In recognition of this, two rare Cork Oak Trees (to replace two which have recently died of old age) were presented to Sam Aziz, Tylney Hall General Manager, by Mark Porter, County Organiser for the National Garden Scheme in Hampshire. This year Tylney Hall will be opening on Sunday 14th May and Sunday 11th June: 10am to 5pm. Admission £5.00, children free. Cash only. Refreshments: Cream Teas in the Chestnut Suite from 12.00 noon. Large garden of 66 acres with extensive woodlands and beautiful vista. Fine avenues of

wellingtonias; rhododendrons and azaleas, Italian garden, lakes, large water and rock garden, dry stone walls originally designed with assistance of Gertrude Jekyll. This is a great garden to visit and one we are proud to have in our Hampshire NGS portfolio.

Reporting potholes

After a mild but wet autumn, the hard freeze before Christmas has undoubtedly done more damage to relatively fragile road networks. Please do report potholes using the following link:

Strictly Come Courting – Hampshire & Isle of Wight Wildlife Trust

As mists rise from the water's surface on early spring mornings, love is in the air as great crested grebe pairs join together to dance. These graceful courtship rituals denote the start of the birds' breeding season as the grebes look to successfully attract a mate with their synchronised salsas.

With orange and black head plumes spread wide, an elegant pattern of head shaking, bill-dipping, 'mewing' (calling) and preening culminates in the famous 'penguin dance'. The performance reaches an astonishing crescendo as a pair of great crested grebes will rush together, paddling their feet frantically to raise upright from the water. Then, standing chest to chest, they flick a beak-full of water weed at each other before one final shake of the head and the weed is dropped, and the deal is clinched. In time, a suitably enamoured pair will move into their nest, floating safely in the reedy margins of the lake shore.

You may stand a chance to observe this impressive display at any flooded gravel pits, reservoirs, lakes or canals where a pair of great crested grebes are residing. Locally, Testwood Lakes Nature Reserve in Southampton and Blashford Lakes Nature in the New Forest offer opportunities to see these grebes. All you need is a pair of binoculars and a little patience – and perhaps a flask of something warm while you wait to enjoy the show. If you're lucky enough to see that famous dance, then remember to pop a note in your diary to return in five weeks' time and you

may be fortunate to witness the birds' stripy 'humbug' hatchlings riding on their parents' back.

Great crested grebes are the largest and most commonly seen grebe species in the UK. As well as the impressive plume on its head and bright coloured ruff on its neck, these handsome and sleek waterbirds have white cheeks, a dark cap, a white neck and a dark body.

The species was formerly a great rarity having been sought by milliners for its decorative plumage. However, the species represents a conservation success story. W.H.Hudson, a pioneer in nature conservation and author of *Hampshire Days* (1903), campaigned for the protection of grebes from the demands of the fashion industry. There are now estimated to be almost 5,000 breeding pairs in the UK.
